Case No. 1:25-cv-10548

DECLARATION OF MARISA OLIVO, PH.D.

DECLARATION OF MARISA OLIVO, PH.D.

I, Marisa Olivo, declare as follows:

1. I am a resident of the State of Rhode Island. I am over the age of 18 and have personal knowledge of all the facts stated herein, except to those matters stated upon information and belief; as to those matters, I believe them to be true. If called as a witness, I could and would testify competently to the matters set forth below.

2. I am currently employed by the Boston Public Schools (“BPS” or “the District”) as the Director of Teacher Pipeline Programs.

3. As the Director of Teacher Pipeline Programs (“TPP”) for BPS, I am responsible for managing two complementary programs: the Bilingual Educator/Accelerated Community to Teacher Program (“BE/ACTT”) and the BPS Teaching Fellowship (“BPSTF”). Generally, the BPS TPP is part of the District’s overarching strategy to address the demand for highly qualified, multilingual teachers for Boston’s classrooms. Our core belief is that the next generation of Boston’s teachers are in the schools, homes, and communities of Boston right now. This permeates all the work we do. This work is critical because like most urban school districts nationally, the BPS is experiencing a teacher shortage. For instance, we currently have approximately 800 teachers of record working without licenses (on waivers or Emergency licenses); this is around 19% of all BPS teaching staff. As of March 2025, the district has approximately 300 teacher vacancies, inclusive of staff on leave.

4. As director, I oversee the management of 8 full-time employees, 9 part-time staff, and around 100 participants in the BE/ACTT and BPSTF Programs. The BE/ACTT is a no-cost, in-district teacher preparation program for Boston-based preservice teachers and is meant to be the first year of programming BPS offers to cultivate our own educators. The BE/ACTT includes

10-12 hours a week of coursework, and coaching for licensure and hiring requirements. The goal of the BE/ACTT is to become hired as BPS teachers of record and enter the second year of TPP programming. The BPSTF is the only district-based, state-approved educator preparation program that provides Moderate Disabilities, and/or ESL endorsement for Initial Licensure.

5. Most recently, I was charged with overseeing the design and implementation of the TQP-funded Bilingual Inclusive Education Teacher Residency (“BIE Teacher Residency”), described below.

6. In 2022, the Department of Education (Department) invited applications for the Teacher Quality Preparation Program (“TQP”).

7. According to the *Application Instructions for Grants under the Teacher Quality Partnership Grant Program* (2022), the intended purposes of the grant were “to improve student achievement; improve the quality of prospective and new teachers by improving the preparation of prospective teachers and enhancing professional development activities for new teachers; hold teacher preparation programs at institutions of higher education (‘IHEs’) accountable for preparing teachers who meet applicable State certification and licensure requirements; and recruit highly qualified individuals, including minorities and individuals from other occupations, into the teaching force.”

8. As set out in its grant proposal, BPS intended to use the TQP to extend the District’s current teacher pipeline programming (BE/ACTT and BPSTF) to include a BIE Teacher Residency, an in-district teacher preparation pathway designed to address the need for multilingual educators in Boston. The vision of BIE Teacher Residency is to support the city’s need to expand native language instruction for multilingual learners and address the disproportionate numbers of multilingual students who tend to be misidentified as having special

needs. For bilingual students with special needs, access to native language is critical to overall success in meeting academic, social-emotional, and pragmatic goals. With high-incidence languages in BPS such as Spanish, Vietnamese, Haitian Creole, Chinese, Arabic, Portuguese, and Cabo Verdean Creole, among many others, the need for highly skilled and qualified teachers that represent the wide range of native languages spoken by our students and their families is more urgent than ever before. More teachers are needed in the workforce who are not only able to conduct evaluative testing in students' native languages but also understand the complexities of and strategies for administering assessments to and analyzing the performances of students with a bilingual repertoire. The mission of the BIE Teacher Residency is to instantiate an affordable, accessible, and culturally affirming teacher residency program in BPS that:

- Addresses the demand for highly qualified and multilingual teachers for BPS's bilingual students by establishing an affordable pathway to an M.Ed. in Special Education and licensure in Moderate Disabilities and Bilingual Education Endorsement (through the University of Massachusetts Boston) ("UMass Boston"), including a living wage stipend and reduced tuition.
- Addresses the dearth of bilingual teachers and teachers of color with advanced degrees in BPS by designing an accessible pathway from pre-service through the first years as BPS teachers of record, with wrap-around support and individualized and intensive coursework and coaching.
- Employs the research-supported residency model approach to ensure theory-informed and practice-rich programming that recruits, retains, and sustains committed teachers.

9. BPS's teacher residency program was funded by the TQP grant for a two-year program. In the program's first year, participants are BE/ACTT candidates, taking teacher

preparation coursework and working towards preliminary licensure. The second year of the program is the residency year, where BIE residents are placed in a BPS dual language classroom, working alongside a mentor teacher and gradually taking on full teacher of record responsibilities. During this year, residents also earn their Master's in Special Education from UMass Boston and their Initial Licensure in Moderate Disabilities and the Bilingual Education Endorsement. Also, as part of the residency model, BIE residents earn a living wage stipend of \$60,000. This stipend is intentionally designed to provide financial support such that residents do not have an interruption in their accustomed salary (since most of our residents are BPS paraeducators) and for BIE residents to be able to pay their UMass Boston tuition without incurring any student loan debt.

10. We originally applied for the TQP grant in April 2022. In October 2023, BPS was awarded \$5,991,968.89 over five years (October 1, 2023-September 30, 2028) to build an in-district bilingual education teacher residency program. 20 U.S.C. § 1022b(a)(1). TQP grant officers explained this year lapse (from April 2022 when we submitted the application to October 2023 when we were awarded) in our initial call with them, indicating that there was a surplus of TQP funding for FY23, which they applied to FY22 grant applications, rather than have another round of competition.

11. The Boston School Committee approved this grant on January 24, 2024. As approved, the terms of this grant apply over five years, from October 1, 2023-September 30, 2028. BPS was awarded funding as follows: Year 1: \$651,837; Year 2: \$1,143,866; Year 3: \$1,364,480; Year 4: \$1,364,480; Year 5: \$1,374,032. Because we were in the beginning of Year 2 of the grant, our sole focus was on launching the first cohort of teacher residents, set to begin in May 2025.

12. In October of 2023, the Department produced a Grant Award Notification (GAN) setting forth the terms and conditions of the grant award. A true and correct copy of the corresponding GAN and its attachments is attached as Exhibit A.

13. Since October 2023, BPS has used the TQP grant funds in a manner fully consistent with the Department's statements regarding the nature of the grant and BPS's grant application.

14. BPS is currently in Year 2 of this five-year grant. The timeline of this grant was October 1, 2023-September 30, 2028. Since the Boston School Committee approved this grant in January 2024, the District has invested time and resources into launching the teacher residency program in May 2025.

15. We were in the final stages of securing an agreement with the UMass Boston as the partner institution of higher education that would confer the Master's degree in Special Education for our residents. We have worked with the BPS Office of Labor Relations and the City of Boston's Office of Labor Relations to draft a contractual agreement and job description for the residents. We have also worked with the Payroll Office, the Employee Information Systems Department, the Staffing Department, and the Finance Office to determine the BIE resident job code, the payment structure for the living wage stipend, and the benefits for the BIE resident year.

16. Regarding the budget, this TQP grant fully funds 3 full-time BPS employees: a Project Manager, a BPS coaching specialist, and an Administrative Coordinator. The grant also funds contractual and stipend positions, travel expenses, and supplies, and it partially covers the living wage stipend of the BIE residents. By August 2025, we anticipated hiring two additional BPS coaching specialist positions: one full-time bilingual inclusion specialist and one part-time

licensure specialist. Additionally, we intended to hire program evaluators and a marketing consultant. Finally, our agreement with the UMass Boston included hiring 2 full-time non-tenured track professors and a data administrator.

17. In terms of BPS funds for the residency program, the District had earmarked \$508,000 for FY26 to partially fund the living wage stipend for the residents.

18. Finally, BPS had not yet created a detailed budget for the disbursement of funding for Years 3-5 of the TQP grant, however much of what was established in the Year 2 budget would hold throughout the life of the grant (e.g., full-time employees, living wage stipend, contracts, and indirect costs). Table 1 below illustrates the spending that has occurred on the grant thus far in Years 1 and 2.

Table 1. Overall Spending on TQP Grant

*The \$57,660.61 remaining from Year 1 was scheduled to go towards \$1,300,000 in Year

**UMass Boston has since replaced Stonehill College as the partner institute of higher education for this grant-funded teacher residency.

19. From the moment BPS received this grant in October 2023, we have worked tirelessly to instantiate this innovative, first-in-the-nation bilingual inclusive teacher residency

program into the existing procedures, policies, and expectations of BPS and the City of Boston. We have navigated the rules and regulations of four governing bodies: BPS, the City of Boston, the Massachusetts Department of Elementary and Secondary Education, and especially the Department's TQP Program. Throughout the planning and implementation stages of this teacher residency, we have consistently received the approval and support of our TQP grant officer. We met the deadlines for the twice yearly grant reports thus far in the life of the grant: the Interim Performance Report (April 2024) and the Data Verification Sheet (October 2024). Additionally, we appropriately spent our Year 1 disbursement of \$651,837, carrying over \$57,660.61 of these funds into Year 3, per the direction of our grant officer. We were awarded the full amount for Year 2, \$1,143,866.

20. On August 21, 2024, the Department produced a Grant Award Notification (GAN) to cover Fiscal Year 2025. A true and correct copy of the corresponding GAN and its attachments is attached as Exhibit B.

21. On February 12, 2025, without any prior notice or indication, the Department informed BPS that effective immediately its TQP grant was being terminated as of that same date. A true and correct copy of the Department's grant award termination letter is attached as Exhibit C. A true and correct copy of the Department's email to me, attaching the grant award termination letter is attached as Exhibit D.

22. With no additional details provided, the letter stated in conclusory fashion that "[t]he grant specified above provides funding for programs that promote or take part in DEI initiatives or other initiatives that unlawfully discriminate on the basis of race, color, religion, sex, national origin, or another protected characteristic; that violate either the letter or purpose of Federal civil rights law; that conflict with the Department's policy of prioritizing merit, fairness,

and excellence in education; that are not free from fraud, abuse, or duplication; or that otherwise fail to serve the best interests of the United States. The grant is therefore inconsistent with, and no longer effectuates, Department priorities.” Exhibit C.

23. To be clear about the extent of the communication regarding the termination of BPS’s TQP grant, I will describe all communication we received, all on February 12, 2025, the day the grant was terminated. We received notice at three points on February 12, 2025. First, I received an email at 2:21 PM notifying me as follows: “your administrative action request has been reviewed and completed. You may access your electronically signed Grant Award Notification (GAN) documents for this administrative action, S336S230054 & GAN action number 5, at <http://www.g5.gov> under Grant Maintenance, Award Documents.” Exhibit E

24. I had no knowledge at that time that the “administrative action” was termination of the grant. When I did access this document, Exhibit F, Block 10 of the letter indicated the following: (1) “The budget period and performance period for this project are changed to the dates in block 6. no additional funds are provided by this action.” Block 6 read: “Budget Period: 10/01/25 to 2/12/25; Performance Period: 10/01/25 to 2/12/25; Future Budget Periods: N/A.” and (2) “The grant is deemed to be inconsistent with, and no longer effectuates, Department priorities. See C.F.R. 200.340(a)(4); see also 34 C.F.R. 75.253.” Exhibit F.

25. The second point of communication came from the email of our TQP grant officer. The TQP grant officer wrote: “I am [sure] by now you have received an email regarding a GAN and a letter to tell you, your TQP project has been terminated. I have enjoyed us working together to get the project started, we had hoops we had to jump, and we got it all sorted out at the last minute but now I will [not] get to see the fruits of your labor. I, however, do hope our path will cross again in the near future.” Exhibit G.

26. The third and final point of communication about this grant being terminated occurred at 9:13 PM when Mark Washington, Deputy Assistant Secretary of Education, emailed:

“Please see the attached letter, informing you of the Department’s decision to terminate your federal award S336S230054, because the grant is inconsistent with, and no longer effectuates, Department priorities. You will also receive an updated GAN notice, confirming this decision and change. You will also receive notification from the Department’s G5 grants administration system. Please feel free to contact me with any related questions or concerns about this information. Please also note the basis for challenge or appeal of this decision, as noted in the language of the attached letter.” Exhibit D.

The attached letter is Exhibit C.

27. BPS has detrimentally relied on the expectations of the grant funds, including but not limited to: time and work on the robust application for the grant; time and work of public employees to design and manage each and every aspect of the grant including the underlying program, policies/procedures, guidelines, presentations, employee relations, budgets, financial expenditures, and meetings; ramp-up periods with partnerships and potential partnerships; drafting of all types of material, including memoranda of agreement, employee agreements, policies, programs and procedures, etc.; time and work with collective bargaining units; school visits; hiring processes and actual interviews to hire new staff whose salaries were paid for by the grant; other significant financial contributions of BPS; and the labor day in and day out of public employees to see this project through to fruition.

28. The abrupt termination has devastated BPS not only because it has immediately and without warning halted all “fruits of [our] labor” as described by TQP grant officer in

Exhibit B, but because BPS will likely be unable to salvage the residency, despite diligent efforts. As a result, all that work consistent with the TQP, Higher Education Act, General Education Provisions Act, and purposes stated in the Department invitations will have been for null. Further, though impacts are ongoing, more immediate impacts include the loss of three full-time employees who were being funded on this grant. Given other budgetary constraints, BPS is not able to absorb the funding for these positions.

29. Additionally, BPS has been communicating this program to its paraeducators, explaining this unique, in-district teacher residency as an opportunity to become a bilingual inclusive teacher at *no additional cost*. When the TQP funding was terminated without notice on February 12th, we were in the process of interviewing applicants for the program. As a reminder, the candidates for this program are almost exclusively BPS bilingual paraeducators. Becoming a resident in this program would mean spending a year in a dual language classroom working alongside a mentor teacher, gradually taking full classroom responsibilities. In addition to working in the classroom, these residents would earn their Master's degree and teaching license. All of this would happen while earning a living wage stipend that would allow these residents to continue earning what they are accustomed to as well as being able to *pay for 100% of the tuition*. These applicants are understandably disappointed by the abrupt termination of the program. We are concerned that many will not be able to successfully become licensed bilingual educators without this program or will give up on doing so altogether.

30. Prior to the grant award termination on February 12, 2025, the Department had never provided BPS with notice, written or otherwise, that the grant administered by BPS engaged in any of the activities described in the termination letter. In particular, and even setting aside the letter's failure to offer any details or specifics, the Department had never provided notice that BPS's programs "promote or take part in DEI initiatives or other initiatives that

unlawfully discriminate on the basis of race, color, religion, sex, national origin, or another protected characteristic”; “violate either the letter or purpose of Federal civil rights law”; “conflict with the Department’s policy of prioritizing merit, fairness, and excellence in education”; “are not free from fraud, abuse, or duplication”; or “otherwise fail to serve the best interests of the United States.” Exhibit C.

31. The termination of TQP funding has detrimental implications for the lives of multilingual learners in BPS. The vision and intent of this program was to improve the life chances of these youngsters through quality, qualified educators from our own Boston communities. As many teacher education scholars have argued, the field of teacher preparation in general lacks the proper training for teaching multilingual learners (Flores et al., 2015; Marri et al., 2011; Mensah et al., 2018). One consequence of this lack of preparation is the high incidence of reading and writing issues for multilingual students, which not only thwarts content knowledge development, but can have what Marri and colleagues (2018) call “far reaching consequences,” such as high dropout rates, lower earning capacity as adults, and even the lifespan of these vulnerable students. We at the Boston Public Schools firmly believe that the mission and vision of the BIE Teacher Residency was an effort to ameliorate this gap in teacher preparation by ensuring that our growing community of multilingual learners received quality and appropriate instruction. Since the TQP grant funding has been terminated, this is no longer an imminent reality for the BPS. As such, we anticipate that we will continue to see multilingual students in BPS struggle and we anticipate that as a district, we will continue to be plagued by a shortage of high-quality licensed Bilingual educators.

I declare under penalty of perjury under the laws of the United States that, to the best of my knowledge, the foregoing is true and correct.

The PR/AWARD NUMBER identified in Block 2 is your FAIN. If subawards are permitted under this grant, and you choose to make subawards, you must document the assigned PR/AWARD NUMBER (FAIN) identified in Block 2 of this Grant Award Notification on each subaward made under this grant. The term subaward means:</p> <p>1. A legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that you as the recipient award to an eligible subrecipient. (See 2 CFR 200.331(a))</p> <p>2. The term does not include your procurement of property and services needed to carry out the project or program (The payments received for goods or services provided as a contractor are not Federal awards, see 2 CFR 200.501(f) of the OMB Uniform Guidance: "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards").</p> <p>3. A subaward may be provided through any legal agreement, including an agreement that you or a subrecipient considers a contract. (See 2 CFR 200.1)</p> | | | | | | | | |
| | <p>(2) Unless this grant solely funds research, you must comply with new regulations regarding awards to faith-based organizations (FBOs) that provide beneficiary services under this grant or under a contract you award to provide beneficiary services under this grant. These new regulations clarify the rights of FBOs and impose certain duties on FBOs regarding the referral of beneficiaries they serve. See 34 CFR 75.52, 75.712-75.714, appendix A to part 75, and 2 CFR 3474.15. The Department has established a web page that provides guidance on the new regulations, including FAQs and other implementation tools, which is available at http://www2.ed.gov/policy/fund/reg/fbci-reg.html. If you have any questions about these regulations, please contact the Education Program Contact identified in Block 3 of this GAN.</p> | | | | | | | | |
| | <p>(3) Reimbursement of indirect costs is subject to the availability of funds and statutory and regulatory restrictions. The negotiated indirect cost rate agreement authorizes a non-Federal entity to draw down indirect costs from the grant awards. The following conditions apply to the below entities.</p> | | | | | | | | |
| | <p>A. All entities (other than institutions of higher education (IHE))</p> <p>The GAN for this grant award shows the indirect cost rate that applies on the date of the initial grant for this project. However, after the initial grant date, when a new indirect cost rate agreement is negotiated, the newly approved indirect cost rate supersedes the indirect cost rate shown on the GAN for the initial grant. This new indirect cost rate should be applied according to the period specified in the indirect cost rate agreement, unless expressly limited under EDGAR or program regulations. Any grant award with an approved budget can amend the budget to account for a change in the indirect cost rate. However, for a discretionary grant award any material changes to the budget which may impact the scope or objectives of the grant must be discussed with the program officer at the Department. See 34 CFR 75.560 (d)(3) (ii) (part 75 of EDGAR).</p> | | | | | | | | |
| <p>B. Institutions of higher education (IHE)</p> | | | | | | | | | |

GRANT AWARD NOTIFICATION

Under 2 CFR part 200, Appendix III, Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Institutions of Higher Education (IHEs), the Department must apply the negotiated indirect cost rate in effect on the date of the initial grant award to every budget period of the project, including all continuation grants made for this project. See 2 CFR Part 200, Appendix III, paragraph C.7. Therefore, the GAN for each continuation grant will show the original indirect cost rate and it applies to the entire period of performance of this project. If the indirect cost rate agreement that is applicable to this grant does not extend to the end of the grant's project period, the indirect cost rate set at the start of the project period must still be applied to the end of project period regardless of the fact that the rate has otherwise expired.

- (4) The grantee must submit a revised budget covering the October 1, 2023-September 30, 2024 budget period of the grant award that aligns with the actual amount of funding that the grantee receives from the Department. The revised budget must be within the scope of the approved project and must align with all initial goals and objectives of the approved application. The grantee must submit this revised budget within 30 days of the grant award. If you wish to request reconsideration of these specific conditions, please send written notification describing why such conditions should not be imposed on this grant to your Department program officer.

SPECIFIC GRANT TERMS AND CONDITIONS FOR FINANCIAL AND PERFORMANCE REPORTS

PERFORMANCE REPORTS:

(1) FINAL REPORTS - ALL RECIPIENTS are required to submit a final performance report within 120 days after the expiration or termination of grant support in accordance with submission instructions provided in box 10 of the Grant Award Notification (GAN), or through another notification provided by the Department of Education (Department) ([2 CFR § 200.329\(c\)](#)).

(2) ANNUAL, QUARTERLY, or SEMIANNUAL REPORTS - ALL RECIPIENTS of a multi-year discretionary award must submit an annual Grant Performance Report ([34 CFR § 75.118](#)). The annual performance report shall provide the most current performance and financial expenditure information that is sufficient to meet the reporting requirements of 2 CFR §§ [200.328](#), [200.329](#), and [34 CFR § 75.720](#).

Your education program contact will provide you with information about your performance report submissions, including the due date, as a grant term or condition in box 10 on the GAN, or through another notification provided by the Department. The grant term or condition in box 10 on the GAN or another notification may reflect any of the following:

1. That a performance report is due before the next budget period begins. The report should contain current performance and financial expenditure information for this grant. It will either identify the date the performance report is due or state that the Department will provide additional information about this report, including due date, at a later time.
2. That an interim performance report is required because of the nature of the award or because of statutory or regulatory provisions governing the program under which this award is made, and that the report is due more frequently than annually as indicated, e.g., due quarterly and submitted within 30 days after the end of each quarter, or due semiannually and submitted within 30 days after the end of each 6-month period ([2 CFR § 200.329\(c\)\(1\)](#)).
3. That other reports are required, e.g., program specific reports required in a program's statute or regulation.

(3) FINANCIAL REPORTS – SOME RECIPIENTS:

If a financial report is required, your education program contact will provide you with information about your financial report submission, including the due date, as a grant term or condition in box 10 on the GAN, or through another notification.

A [Standard Form \(SF\) 425 Federal Financial Report \(FFR\)](#) is required if:

1. A grant involves cost sharing, and the ED 524B, which collects cost sharing information, is not submitted or a program-specific report approved by U.S. Office of Management and Budget (OMB) does not collect cost sharing information;
2. Program income was earned;

GAN ATTACHMENT 2

Revised 03/2021

3. Indirect cost information is to be reported and the ED 524B was not used or a program-specific report approved by OMB does not collect indirect cost information;
4. Program regulations or statute require the submission of the FFR; or
5. Specific Award Conditions, or specific grant or subgrant conditions for designation of "high risk," were imposed in accordance with 2 C.F.R. part [200.208](#) and part [3474.10](#) and required the submission of the FFR.

If the FFR is required, the notification may indicate one of the following (see the form and its instructions at [Standard Form \(SF\) 425 Federal Financial Report \(FFR\)](#)):

1. Quarterly - FFRs are required for reporting periods ending on 12/31, 03/31, 06/30, 09/30, and are due within 30 days after each reporting period.
2. Semi-annual - FFRs are required for reporting periods ending on 03/31 and 09/30, and are due within 30 days after each reporting period.
3. Annual - FFRs are required for reporting period ending 09/30, and is due within 30 days after the reporting period.
4. Final - In coordination with the submission of final performance reports, FFRs are due within 120 days after the project or grant period end date (2 CFR [200.328](#)).

When completing an FFR for submission, the following must be noted:

1. *Multiple Grant Reporting Using SF 425A Prohibited:* While the FFR is a governmentwide form that is designed for single grant and multiple grant award reporting, the Department's policy is that multiple grant award reporting is not permitted for Department grants. Thus, a Department grantee that is required to submit an FFR in accordance with any of the above referenced selections must complete and submit one FFR for each of its grants. Do not use the FFR attachment (Standard Form 425A), which is available for reporting multiple grants, for reporting on Department grants. As such, references to multiple grant reporting and to the FFR attachment in items 2, 5 and 10 of the FFR are not applicable to Department grantees. With regards to item 1 of the note found in the FFR Instructions, a grantee must complete items 10(a) through 10(o) for each of its grants. The multiple award, multiple grant, and FFR attachment references found in items 2, 5, 6, before 10(a), in item 10(b), before 10(d), before 10(i) and before 10(l) of the Line Item Instructions for the FFR are not applicable to Department grants.
2. *Program Income:* Unless disallowed by statute or regulation, a grantee will complete item 10(m) or 10(n) in accordance with the options or combination of options as provided in 2 CFR Part [200.307](#). A grantee is permitted, in accordance with 2 CFR Part [200.307](#), to add program income to its Federal share to further eligible project or program objectives, use program income to finance the non-Federal share of the project or program; and deduct program income from the Federal share of the total project costs.
3. *Indirect Costs:* A grantee will complete item 11(a) by listing the indirect cost rate type identified on its indirect cost rate agreement, as approved by its cognizant agency for indirect costs.

A Department grantee that does not have an indirect cost rate agreement approved by its cognizant agency for indirect costs, and that is using the Department approved (beyond the 90-day temporary period) temporary indirect cost rate of 10% of budgeted direct salaries and wages, or the de minimis rate of 10% of modified total direct cost (MTDC) must list its indirect cost rate in 11(a) as a Department Temporary Rate or De Minimis Rate. The de minimis rate of 10% of MTDC consists of:

All direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and contracts up to the first \$25,000 of each subaward (i.e., subgrant). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$25,000. Other items, including contract costs in excess of \$25,000, may be excluded when necessary to avoid a serious inequity in the distribution of indirect costs (see definition of MTDC at [2 CFR § 200.1](#)).

A training program grantee whose recovery of indirect cost limits indirect cost recovery to 8% of MTDC or the grantees negotiated indirect cost rate, whichever is less in accordance with EDGAR § [75.562 \(c\)](#), must list its rate in 11(a) as a Department Training Grant Rate. The 8% limit does not apply to agencies of Indian tribal governments, local governments, and States¹ as defined in [2 CFR § 200.1](#)

A restricted program grantee must list its rate as a Restricted Indirect Cost Rate in 11(a). A restricted program (i.e., programs with statutory supplement-not-supplant requirements) grantee must utilize a restricted indirect cost rate negotiated with its cognizant agency for indirect costs, or may elect to utilize a restricted indirect cost rate of 8% MTDC if their negotiated restricted indirect cost rate calculated under 34 CFR [75.563](#) and [76.564 – 76.569](#), is not less than 8% MTDC. A State or local government² that is a restricted program grantee may not elect to utilize the 8% MTDC rate. Additionally, restricted program grantees may not utilize the de minimis rate, but may utilize the temporary rate until a restricted indirect cost rate is negotiated. If a restricted program grantee elects to utilize the temporary rate, it must list its rate as a Department Temporary Rate in 11(a).

Grantees with indirect cost rates prescribed in program statute or regulation must list their rate as a Rate Required in Program Statute or Regulation in 11(a). Grantees are required to follow program-specific statutory or regulatory requirements that mandate either indirect cost rate type or maximum administrative costs recovery.

For detailed information including restrictions related to temporary, de minimis, training, restricted, and program prescribed indirect cost rates see GAN ATTACHMENT 4.

4. *Supplemental Pages:* If grantees need additional space to report financial information, beyond what is available within the FFR, they should provide supplemental pages. These additional pages must indicate the following information at the top of each page: the PR/Award Number

¹ Note that a State-funded institution of higher education is not considered a “State government” for these purposes; and a Tribal college or university funded by a federally-recognized Tribe is not considered a Tribe for these purposes.

² Note that a State-funded institution of higher education is not considered a “State government” for these purposes.

Revised 03/2021

also known as the Federal Identifying Number or FAIN, recipient organization, Unique Entity Identifier, Employer Identification Number (EIN), and period covered by the report.

AN OVERVIEW OF SINGLE AUDIT REQUIREMENTS OF STATES, LOCAL GOVERNMENTS, AND NONPROFIT ORGANIZATIONS

This GAN ATTACHMENT is **not** applicable to for-profit organizations. For-profit organizations comply with audit requirements specified in block 10 of their Grant Award Notification (GAN).

Summary of Single Audit Requirements for States, Local Governments and Nonprofit Organizations:

1. Single Audit. A non-Federal entity (a State, local government, Indian tribe, Institution of Higher Education (IHE)¹, or nonprofit organization) that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with 2 CFR 200.501, "Audit Requirements," except when it elects to have a program specific audit conducted.
2. Program-specific audit election. When an auditee expends Federal awards under only one Federal program (excluding research and development (R&D)), and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the auditee, the auditee may elect to have a program-specific audit conducted. A program-specific audit may not be elected for R&D unless all of the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.
3. Exemption when Federal awards expended are less than \$750,000. A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in 2 CFR 200.503, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO). Generally, grant records must be maintained for a period of three years after the date of the final expenditure report ([2 CFR § 200.334](#))
4. Federally Funded Research and Development Centers (FFRDC). Management of an auditee that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity.
5. Report Submission. To meet audit requirements of U.S. Office of Management and Budget (OMB) Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards (Uniform Guidance), grantees must submit all audit documents required by Uniform Guidance 2 CFR 200.512, including Form SF-SAC: Data Collection Form electronically to the Federal Audit Clearinghouse at:

¹ As defined under the Higher Education Act of 1965, as amended (HEA) section 101.

<https://facides.census.gov/Account/Login.aspx>.

The audit must be completed, and the data collection form and reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period. If the due date falls on a Saturday, Sunday, or Federal holiday, the reporting package is due the next business day. Unless restricted by Federal statutes or regulations, the auditee must make copies available for public inspection. Auditees and auditors must ensure that their respective parts of the reporting package do not include protected personally identifiable information. (2 CFR 200.512)

Grantees are strongly urged to obtain the "OMB Compliance Supplement" and to contact their cognizant agency for single audit technical assistance.

The designated cognizant agency for single audit purposes is "the Federal awarding agency that provides the predominant amount of direct funding to the recipient." Grantees should obtain a copy of the OMB Compliance supplement. This supplement will be instructive to both grantees and their auditors. Appendix III of the supplement provides a list of Federal Agency Contacts for Single Audits, including addresses, phone numbers, fax numbers, and e-mail addresses for technical assistance.

For single audit-related questions, if the U.S. Department of Education is the cognizant agency, grantees should contact the Non-Federal Audit Team in the Department's Office of Inspector General, at oinon-federalaudit@ed.gov. Additional resources for single audits are also available on the Non-Federal Audit Team's website at <https://www2.ed.gov/about/offices/list/oig/nonfed/index.html>. For programmatic questions, grantees should contact the education program contact shown on the Department's GAN.

Grantees can obtain information on single audits from:

The OMB website at www.omb.gov. Look under Office of Management and Budget (in right column) then click Office of Federal Financial Management (to obtain OMB Compliance Supplement). The SF-SAC: Data Collection Form can be found at the Federal Audit Clearinghouse at: <https://facides.census.gov/Files/2019-2021%20Checklist%20Instructions%20and%20Form.pdf>.

**FEDERAL FUNDING ACCOUNTABILITY TRANSPARENCY ACT
REPORTING SUBAWARDS AND EXECUTIVE COMPENSATION**

The Federal Funding Accountability and Transparency Act (FFATA) is designed to increase transparency and improve the public's access to Federal government information. To this end, FFATA requires that Department of Education (Department) grant recipients:

3. Reporting of Total Compensation of Subrecipient Executives –

a. *Applicability and what to report.*

Unless you are exempt as provided in item 4, Exemptions, of this award term, for each first-tier **non-Federal entity** subrecipient under this award, you shall report the names and total compensation of each of the subrecipient's five most highly compensated executives for the subrecipient's preceding completed fiscal year, if—

5. Definitions -

- a. For purposes of this award term:

For example, the following are not considered subawards:

Cleaning Vendors: Vendors that are hired by a grantee to clean its facility.

- v. *Subrecipient* means a non-Federal entity or Federal agency that:

Receives a subaward from you (the recipient) under this award; and

Is accountable to you for the use of the Federal funds provided by the subaward.

Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization, or medical reimbursement plans that do not discriminate in favor of executives and are available generally to all salaried employees.

Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

Above-market earnings on deferred compensation which is not tax-qualified.

Other compensation, if the aggregate value of all such other compensation (e.g., severance, termination payments, value of life insurance paid on behalf of the employee, perquisites, or property) for the executive exceeds \$10,000.

**SPECIFIC CONDITIONS FOR DISCLOSING
FEDERAL FUNDING IN PUBLIC ANNOUNCEMENTS**

When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, U.S. Department of Education grantees shall clearly state:

- 1) the percentage of the total costs of the program or project which will be financed with Federal money;
- 2) the dollar amount of Federal funds for the project or program; and
- 3) the percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

Recipients must comply with these conditions under Division H, Title V, Section 505 of Public Law 116-260, Consolidated Appropriations Act, 2021.

**PROHIBITION OF TEXT MESSAGING AND EMAILING WHILE DRIVING
DURING OFFICIAL FEDERAL GRANT BUSINESS**

Federal grant recipients, sub recipients and their grant personnel are prohibited from text messaging while driving a government owned vehicle, or while driving their own privately-owned vehicle during official grant business, or from using government supplied electronic equipment to text message or email when driving.

Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," October 1, 2009.

**REGISTRATION OF UNIQUE ENTITY IDENTIFIER (UEI) NUMBER AND TAXPAYER
IDENTIFICATION NUMBER (TIN) IN THE SYSTEM FOR AWARD MANAGEMENT (SAM)**

The U.S. Department of Education (Department) Grants Management System (G5) disburses payments via the U.S. Department of Treasury (Treasury). The U.S. Treasury requires that we include your Tax Payer Identification Number (TIN) with each payment. Therefore, in order to do business with the Department you must have a registered Unique Entity Identifier (UEI) and TIN number with the SAM, the U.S. Federal Government's primary registrant database. If the payee UEI number is different than your grantee UEI number, both numbers must be registered in the SAM. Failure to do so will delay the receipt of payments from the Department.

A TIN is an identification number used by the Internal Revenue Service (IRS) in the administration of tax laws. It is issued either by the Social Security Administration (SSA) or by the IRS. A Social Security number (SSN) is issued by the SSA whereas all other TINs are issued by the IRS.

The following are all considered [TINs according to the IRS](#).

- Social Security Number "SSN"
- Employer Identification Number "EIN"
- Individual Taxpayer Identification Number "ITIN"
- Taxpayer Identification Number for Pending U.S. Adoptions "ATIN"
- Preparer Taxpayer Identification Number "PTIN"

If your UEI number is not currently registered with the SAM, you can easily register by going to www.sam.gov. Please allow 3-5 business days to complete the registration process. If you need a new TIN, please allow 2-5 weeks for your TIN to become active. If you need assistance during the registration process, you may contact the SAM Federal Service Desk at 866-606-8220.

If you are currently registered with SAM, you may not have to make any changes. However, please take the time to validate that the TIN associated with your UEI is correct.

If you have any questions or concerns, please contact the G5 Hotline at 888-336-8930.

SYSTEM FOR AWARD MANAGEMENT AND UNIVERSAL IDENTIFIER REQUIREMENTS**1. Requirement for System for Award Management (SAM)**

Unless you are exempted from this requirement under 2 CFR 25.110, you are, in accordance with your grant program's Notice Inviting Applications, required to maintain an active SAM registration with current information about your organization, including information on your immediate and highest level owner and subsidiaries, as well as on all predecessors that have been awarded a Federal contract or grant within the last three years, if applicable, at all times during which you have an active Federal award or an application or plan under consideration by a Federal awarding agency. To remain registered in the SAM database after your initial registration, you are required to review and update your information in the SAM database on an annual basis from the date of initial registration or subsequent updates to ensure it is current, accurate and complete.

2. Requirement for Unique Entity Identifier (UEI) Numbers

If you are authorized to make subawards under this award, you:

1. Must notify potential subrecipients that they may not receive a subaward from you unless they provided their UEI number to you.
2. May not make a subaward to a subrecipient when the subrecipient fails to provide its UEI number to you.

3. Definitions

For purposes of this award term:

1. System for Award Management (SAM) means the Federal repository into which a recipient must provide information required for the conduct of business as a recipient. Additional information about registration procedures may be found at the SAM internet site (currently at <https://www.sam.gov>).
2. Unique Entity Identifier (UEI) means the identifier assigned by SAM registration to uniquely identify business entities.
3. Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients. See 2 CFR 200.86.
4. Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract. See 2 CFR 200.92.

5. Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency. See 2 CFR 200.93.

KEY FINANCIAL MANAGEMENT REQUIREMENTS FOR DISCRETIONARY GRANTS AWARDED BY THE DEPARTMENT OF EDUCATION

The Department expects grantees to administer Department grants in accordance with generally accepted business practices, exercising prudent judgment so as to maintain proper stewardship of taxpayer dollars. This includes using fiscal control and fund accounting procedures that insure proper disbursement of and accounting for Federal funds. In addition, grantees may use grant funds only for obligations incurred during the funding period.

Title 2 of the Code of Federal Regulations Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," establishes requirements for Federal awards made to non-Federal entities. The Education Department General Administrative Regulations in 34 CFR (EDGAR) 75, 76, 77, 79, 81, 82, 84, 86, 97, 98, and 99 contain additional requirements for administering discretionary grants made by this Department. The most recent version of these regulations may be accessed at the following URLs:

[The Education Department General Administrative Regulations \(EDGAR\)](#)

[2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards](#)

The information on page 2, "Selected Topics in Administering Department Discretionary Grants," highlights major administrative requirements of 2 CFR Part 200. In addition, a few of the topics discuss requirements that the Department imposes on its discretionary grantees under EDGAR, Part 75 (Direct Grants). The specific sections of 2 CFR Part 200 and of EDGAR that address the topics discussed are shown in parentheses. The Department urges grantees to read the full text of these and other topics in EDGAR and in 2 CFR Part 200.

Grantees are reminded that a particular grant might be subject to additional requirements of the authorizing statute for the program that awarded the grant and/or any regulations issued by the program office. Grantees should become familiar with those requirements as well, because program-specific requirements might differ from those in 2 CFR Part 200 and in EDGAR.

The Department recommends that the project director and the fiscal management staff of a grantee organization communicate frequently with each other about the grant budget. Doing so will help to assure that you use Federal funds only for those expenditures associated with activities that conform to the goals and objectives approved for the project.

Grantees may direct any questions regarding the topics discussed on page 2, "Selected Topics in Administering Department Discretionary Grants," or about any other aspect of administering your grant award to the Department program staff person named in Block 3 of the Grant Award Notification.

SELECTED TOPICS IN ADMINISTERING DEPARTMENT DISCRETIONARY GRANTS**I. Financial Management Systems (2 CFR Part 200.302)**

In general, grantees are required to have financial management systems that:

- * provide for accurate, current, and complete disclosure of results regarding the use of funds under grant projects;
- * provide adequate source documentation for Federal and non-Federal funds used under grant projects;
- * contain procedures to determine the allowability, allocability, and reasonableness of obligations and expenditures made by the grantee; and
- * enable the grantee to maintain effective internal control and fund accountability procedures, e.g., requiring separation of functions so that the person who makes obligations for the grantee is not the same person who signs the checks to disburse the funds for those obligations.

State systems must account for funds in accordance with State laws and procedures that apply to the expenditure of and the accounting for a State's own funds. A State's procedures, as well as those of its subrecipients and cost-type contractors, must be sufficient to permit the preparation of reports that may be required under the award as well as provide the tracing of expenditures to a level adequate to establish that award funds have not been used in violation of any applicable statutory restrictions or prohibitions.

II. Federal Payment (2 CFR Part 200.305)

Under this part --

- * the Department pays grantees in advance of their expenditures if the grantee demonstrates a willingness and ability to minimize the time between the transfer of funds to the grantee and the disbursement of the funds by the grantee;
- * grantees repay to the Federal government interest earned on advances; and
- * grantees, generally, must maintain advance payments of Federal awards in interest bearing accounts.

In general, grantees should make payment requests frequently, only for small amounts sufficient to meet the cash needs of the immediate future.

The Department has recently encountered situations where grantees failed to request funds until long after the grantee actually expended its own funds for the costs of its grant. Grantees need to be aware that, by law, Federal funds are available for grantees to draw down for only a limited period of time, after which the funds revert to the U.S. Treasury. In some cases grantees have requested funds too late for the Department to be able to pay the grantees for legitimate costs incurred during their project periods.

GAN ENCLOSURE 1

Revised 03/2021

The Department urges financial managers to regularly monitor requests for payment under their grants to assure that Federal funds are drawn from the Department G5 Payment System at the time those funds are needed for payments to vendors and employees.

III. Personnel (EDGAR §§ 75.511-75.519 and 2 CFR Part 200 Subpart D and E)

The rules governing personnel costs are located in EDGAR Part 75 and 2 CFR Part 200 Subparts D and E. Part 75 covers issues such as paying consultants with grant funds, prohibiting dual compensation of staff, and waiving the requirement for a full-time project director. The rules clarifying changes in key project staff are located in 2 CFR Part 200.308 (c)(2). General rules governing reimbursement of salaries and compensation for staff working on grant projects are addressed in the cost principles in 2 CFR Part 200 Subpart D and E. In all cases, payments of any type to personnel must be supported by complete and accurate records of employee time and effort. For those employees that work on multiple functions or separately funded programs or projects, the grantee must also maintain time distribution records to support the allocation of employee salaries among each function and separately funded program or project.

IV. Cost Principles (2 CFR Part 200 Subpart E)

All costs incurred under any grant are subject to the cost principles found in 2 CFR Part 200 Subpart E. The cost principles provide lists of selected items of allowable and unallowable costs, and must be used in determining the allowable costs of work performed under the grant.

V. Procurement Standards (2 CFR Part 200.317-327)

Under 2 CFR Part 200.317, States are required to follow the procurement rules the States have established for purchases funded by non-Federal sources. When procuring goods and services for a grant's purposes, all other grantees may follow their own procurement procedures, but only to the extent that those procedures meet the minimum requirements for procurement specified in the regulations. These requirements include written competition procedures and codes of conduct for grantee staff, as well as requirements for cost and price analysis, record-keeping and contractor compliance with certain Federal laws and regulations. These regulations also require grantees to include certain conditions in contracts and subcontracts, as mandated by the regulations and statutes.

VI. Indirect Costs (EDGAR §§75.560-564 and 2 CFR Part 200.414)

In addition to the information presented below, see GAN ATTACHMENT 4 for additional information including restrictions related to temporary, de minimis, training, restricted, and program prescribed indirect cost rates.

A. Unrestricted Indirect Cost Rate

To utilize an unrestricted indirect cost rate, a grantee must have an indirect cost agreement with its cognizant agency, submit an indirect cost rate proposal to its cognizant agency for indirect

GAN ENCLOSURE 1

Revised 03/2021

costs (cognizant agency) within 90 days after the award of this grant or elect to utilize the de minimis rate under 2 CFR § 200.414(f) or the temporary indirect cost rate (subject to limitations described below).

The grantee must provide proof of its negotiated indirect cost rate agreement to the Department as soon as it has signed such an agreement with its cognizant agency.

B. Temporary Indirect Cost Rate

A grantee that does not have a current negotiated indirect cost rate agreement may recover indirect costs at a temporary rate, which is limited to 10% of budgeted direct salaries and wages (See 34 CFR § 75.560(c)); or it may choose not to charge indirect costs to the grant. The temporary rate can only be used for 90 days unless the exceptional circumstances apply under 34 CFR § 75.560(d)(2).

If the grantee has not submitted its indirect cost proposal to its cognizant agency within the 90-day period, it may no longer recover indirect costs utilizing the temporary indirect cost rate until it has negotiated an indirect cost rate agreement with its cognizant agency. Once a grantee obtains a federally recognized indirect cost rate that is applicable to this grant, the grantee may use that indirect cost rate to claim indirect cost reimbursement.

C. De minimis Indirect Cost Rate

Institutions of Higher Education (IHEs), federally-recognized Indian Tribes, State and Local Governments¹ receiving less than \$35 million in direct federal funding, and nonprofit organizations, if they do not have a current negotiated (including provisional) rate, and are not subject to the Department's training rate or restricted rate (supplement-not-supplant provisions) may elect to charge a de minimis indirect cost rate of 10% of modified total direct costs (MTDC). This rate may be used indefinitely.

MTDC consists of all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and contracts up to the first \$25,000 of each subaward (i.e., subgrant). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$25,000. Other items, including contract costs in excess of \$25,000, may be excluded when necessary to avoid a serious inequity in the distribution of indirect costs (see definition of MTDC at 2 CFR § 200.1).

Additionally, the de minimis rate may not be used by grantees that are subject to the Department's training indirect cost rate (34 CFR § 75.562) or restricted indirect cost rate. The de minimis rate may be used indefinitely. However, if a grantee chooses to use the de minimis rate to recover indirect costs, it must do so for all of its Federal awards until such time as the grantee negotiates an indirect cost rate with its cognizant agency. Once a grantee obtains a federally recognized indirect cost rate that is applicable to this grant, the grantee may use that indirect cost rate to claim indirect cost reimbursement.

¹ Note that a State-funded institution of higher education is not considered a "State government" for these purposes.

D. Programs with a Supplement-not-supplant requirement (restricted indirect cost rate)

A restricted program (i.e., programs with statutory supplement-not-supplant requirements) grantee must utilize a restricted indirect cost rate negotiated with its cognizant agency for indirect costs, or may elect to utilize a restricted indirect cost rate of 8% MTDC if their negotiated restricted indirect cost rate calculated under 34 CFR 75.563 and 76.564 – 76.569, is not less than 8% MTDC. A State or local government² that is a restricted program grantee may not elect to utilize the 8% MTDC rate. Additionally, restricted program grantees may not utilize the de minimis rate, but may utilize the temporary rate until a restricted indirect cost rate is negotiated.

E. Training Grant Indirect Cost Rate

If the grantee is a training grant recipient and is not a State, local, or Tribal government³, the grantee must negotiate a rate under 34 CFR 75.562. This provision limits indirect cost recovery to 8% of modified total direct costs or the grantees negotiated indirect cost rate, whichever is less.

The recovery using the training grant indirect cost rate is subject to the following limitations:

- i. The lesser of the 8% indirect cost rate or negotiated indirect cost rate also applies to sub-awards that fund training.
- ii. The 8% limit does not apply to agencies of Indian tribal governments, local governments, and States as defined in 2 CFR § 200.1, respectively.
- iii. Indirect costs in excess of the 8% limit may not be charged directly, used to satisfy matching or cost-sharing requirements, or charged to another Federal award.
- iv. A grantee using the training rate of 8% is required to have documentation available for audit that shows that its negotiated indirect cost rate is at least 8%.

F. Program-Specific Indirect Cost Rate

Grantees are required to follow program-specific statutory or regulatory requirements that mandate either indirect cost rate type or maximum administrative costs recovery instead of the general requirements described here.

VII. Audit Requirements (2 CFR Part 200 Subpart F)

2 CFR 200 Subpart F requires that grantees that are non-Federal entities (a State, local government, Indian tribe, IHE, or nonprofit organization that carries out a Federal award as a recipient or subrecipient) obtain a non-Federal audit of their expenditures under their Federal grants if the grantee expends more than \$750,000 in Federal funds in one fiscal year. 2 CFR Part 200 Subpart F contains the requirements imposed on grantees for

² Note that a State-funded institution of higher education is not considered a “State government” for these purposes.

³ Note that a State-funded institution of higher education is not considered a “State government” for these purposes; and a Tribal college or university funded by a federally-recognized Tribe is not considered a Tribe for these purposes.

audits done in connection with the law.

The Department recommends hiring auditors who have specific experience in auditing Federal awards under the regulations and the Compliance Supplement.

VIII. Other Considerations

Some other topics of financial management covered in 2 CFR Part 200 that might affect particular grants include program income (2 CFR Part 200.307), cost sharing or matching (2 CFR Part 200.306), property management requirements for equipment and other capital expenditures (2 CFR Parts 200.313, 200.439).

MEMORANDUM TO ED DISCRETIONARY GRANTEES

You are receiving this memorandum to remind you of Federal requirements, found in 2 CFR Part [200](#), *Uniform Administrative Requirements, Cost Principles, and Audit Requirements*, regarding cash drawdowns under your grant account.

For any cash that you draw from your Department of Education (*the Department*) grant account, you must:

- draw down only as much cash as is necessary to meet the immediate needs of the grant project;
- keep to the minimum the time between drawing down the funds and paying them out for grant activities; and
- return to the Government the interest earned on grant funds deposited in interest-bearing bank accounts except for a small amount of interest earned each year that your entity is allowed to keep to reimburse itself for administrative expenses).

In order to meet these requirements, you are urged to:

- take into account the need to coordinate the timing of drawdowns with prior internal clearances (e.g., by boards, directors, or other officials) when projecting immediate cash needs so that funds drawn down from ED do not stay in a bank account for extended periods of time while waiting for approval;
- monitor the fiscal activity (drawdowns and payments) under your grant on a continuous basis;
- plan carefully for cash flow in your grant project during the budget period and review project cash requirements before each drawdown; and
- pay out grant funds for project activities as soon as it is practical to do so after receiving cash from the Department.

Keep in mind that the Department monitors cash drawdown activity for all grants. Department staff will contact grantees who appear to have drawn down excessive amounts of cash under one or more grants during the fiscal quarter to discuss the particular situation. For the purposes of drawdown monitoring, the Department will contact grantees who have drawn down 50% or more of the grant in the first quarter, 80% or more in the second quarter, and/or 100% of the cash in the third quarter of the budget period. However, even amounts less than these thresholds could still represent excessive drawdowns for your particular grant activities in any particular quarter. Grantees determined to have drawn down excessive cash will be required to return the excess funds to the Department, along with any associated earned interest, until such time as the money is legitimately needed to pay for grant activities. If you need assistance with returning funds and interest, please contact the Department's G5 Hotline by calling 1-888-336-8930.

Grantees that do not follow Federal cash management requirements and/or consistently appear on the Department's reports of excessive drawdowns could be:

- subjected to specific award conditions or designated as a "high-risk" grantee [2 CFR Part [200.208](#) and 2 CFR [3474.10](#)], which could mean being placed on a "cash-reimbursement" payment method (i.e., a grantee would experience the inconvenience of having to pay for grant activities with its own money and waiting to be reimbursed by the Department afterwards);

- subject to further corrective action;
- denied selection for funding on future ED grant applications [EDGAR [75.217\(d\)\(3\)\(ii\)](#)]; and/or
- debarred or suspended from receiving future Federal awards from any executive agency of the Federal government.

You are urged to read 2 CFR Part 200.[305](#) to learn more about Federal requirements related to grant payments and to determine how to apply these requirements to any subgrantees. You are urged to make copies of this memorandum and share it with all affected individuals within your organization.

THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

- Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
 - Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
- Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.” In particular, remember that:
 - Federal grant funds cannot be used to pay for alcoholic beverages; and
 - Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
- Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
 - When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.
- A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
 - A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
- A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.

GAN ENCLOSURE 3

Revised 03/2021

- All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:

The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.
- Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.
 - A short conversation could help avoid a costly and embarrassing mistake.
- Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting- and conference-related expenses.

**MEMORANDUM TO REMIND DEPARTMENT OF EDUCATION GRANTEEES OF EXISTING CASH
MANAGEMENT REQUIREMENTS CONCERNING PAYMENTS**

The Department of Education (Department) requires that its grantees adhere to existing cash management requirements concerning payments and will ensure that their subgrantees are also aware of these policies by providing them relevant information. A grantee's failure to comply with cash management requirements may result in an improper payment determination by the Department in accordance with the [Payment Integrity Information Act \(PIIA\) of 2019](#).

There are three categories of payment requirements that apply to the drawdown of funds from grant accounts at the Department. The first two types of payments are subject to the requirements in the Treasury Department regulations implementing the Cash Management Improvement Act (CMIA) of 1990, 31 U.S.C.6513, and the third is subject to the requirements in the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) at 2 CFR part 200,¹ as follows:

1. Payments to a State under programs that are covered by a State's Treasury State Agreement (TSA);
2. Payments to States under programs that are not covered by a TSA; and
3. Payments to other non-Federal entities, including nonprofit organizations and local governments.

CMIA Requirements Applicable to Programs included in a TSA

Generally, under the Treasury Department regulations implementing the CMIA, only major assistance programs (large-dollar programs meeting thresholds in 31 CFR § 205.5) are included in a State's written TSA. See 31 CFR § 205, subpart A. Programs included in a TSA must use approved funding techniques and both States and the Federal government are subject to interest liabilities for late payments. State interest liabilities accrue from the day federal funds are credited to a State account to the day the State pays out the federal funds for federal assistance program purposes. 31 CFR § 205.15. If a State makes a payment under a Federal assistance program before funds for that payment have been transferred to the State, Federal Government interest liabilities accrue from the date of the State payment until the Federal funds for that payment have been deposited to the State account. 31 CFR § 205.14.

CMIA Requirements Applicable to Programs Not Included in a TSA

Payments to States under programs not covered by a State's TSA are subject to subpart B of Treasury's regulations in 31 CFR § 205. These regulations provide that a State must minimize the time between the drawdown of funds from the federal government and their disbursement for approved program activities. The timing and amount of funds transfers must be kept to a minimum and be as close as is administratively feasible to a State's actual cash outlay for direct program costs and the proportionate share of any allowable indirect costs. 31 CFR § 205.33(a). States should exercise sound cash management in funds transfers to subgrantees.

¹ The Department adopted the Uniform Guidance as regulations of the Department at 2 CFR part 3474.

Under subpart B, neither the States nor the Department owe interest to the other for late payments. 31 CFR § 205.33(b). However, if a State or a Federal agency is consistently late in making payments, Treasury can require the program to be included in the State's TSA. 31 CFR § 205.35.

Fund transfer requirements for grantees other than State governments and subgrantees

The transfer of Federal program funds to grantees other than States and to subgrantees are subject to the payment and interest accrual requirements in the Uniform Guidance at 2 CFR § 200.305(b). These requirements are like those in subpart B of the Treasury Department regulations in 31 CFR part 205, requiring that "payments methods must minimize the time elapsing between the transfer of funds from the United States Treasury or the pass-through entity and the disbursement by the non-Federal entity." 2 CFR § 200.305(b) introduction.

The Federal Government and pass-through entities must make payments in advance of expenditures by grantees and subgrantees if these non-Federal entities maintain, or demonstrate the willingness to maintain, written procedures "that minimize the time elapsing between the transfer of funds and disbursement by the non-Federal entity, and financial management systems that meet the standards for fund control and accountability." 2 CFR § 200.305(b)(1). If a grantee or subgrantee cannot meet the criteria for advance payments, a Federal agency or pass-through entity can pay that entity through reimbursement. See 2 CFR § 200.305(b)(1) and (4) for more detailed description of the payment requirements and the standards for requiring that payments be made by reimbursement.

Non-Federal entities must maintain advance payments in interest bearing accounts unless certain conditions exist. See 2 CFR § 200.305(b)(8) for those conditions. The requirements regarding interest accrual and remittance follow:

Grantees and subgrantees must annually remit interest earned on federal advance payments except that interest earned amounts up to \$500 per year may be retained for administrative expense. Any additional interest earned on Federal advance payments deposited in interest-bearing accounts must be remitted annually to the Department of Health and Human Services Payment Management System (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment. 2 CFR § 200.305(b)(9)(i) and (ii).

1. When returning interest through ACH Direct Deposit or Fedwire, grantees must include the following in their return transaction:
 - PMS Account Number (PAN). NOTE: The PAN is the same series of alpha-numeric characters used for payment request purposes (e.g.: C1234G1).
 - PMS document number.
 - The reason for the return (e.g., interest, part interest part other, etc.).
 - An explanation stating that the refund is for interest payable to the Department of Health and Human Services, and the grant number(s) for which the interest was earned.

- HHS Program Support Center
PO Box 979132
St. Louis, MO 63197
- A brief statement explaining the nature of the return must be included.
- b. To return interest on a grant not paid through the PMS, make the check payable to the Department of Health and Human Services, and include the following with the check:
- An explanation stating that the refund is for interest
 - The name of the awarding agency
 - The grant number(s) for which the interest was earned
 - The return should be made payable to: Department of Health and Human Services.
3. For detailed information about how to return interest, visit the PSC Returning Funds/Interest page at: [Returning Funds/Interest](#)

Grantees, including grantees that act as pass-through entities and subgrantees have other responsibilities regarding the use of Federal funds. For example, all grantees and subgrantees must have procedures for determining the allowability of costs for their awards. We highlight the following practices related to the oversight of subgrantee compliance with the financial management requirements in the Uniform Guidance that will assist State grantees (pass-through entities) in meeting their monitoring responsibilities. Under 2 CFR § 200.332, pass-through entities must –

1. Evaluate each subrecipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward for purposes of determining the appropriate subrecipient monitoring.
2. Monitor the performance and fiscal activities of the subrecipient to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved.

A small number of Department grant programs have program-specific cash management and payment requirements based on the authorizing legislation or program regulations. These program-specific requirements may supplement or override general cash management or payment requirements. If you have any questions about your specific grant, please contact the Education Program Contact listed in Block 3 of your Grant Award Notification.

**RECIPIENTS OF DEPARTMENT OF EDUCATION GRANTS AND COOPERATIVE AGREEMENTS
FREQUENTLY ASKED QUESTIONS ON CASH MANAGEMENT**

Q What are the Federal Laws and Regulations Regarding Payments to the States?

A The *Cash Management Improvement Act of 1990 (CMIA)* establishes interest liabilities for the Federal and State governments when the Federal Government makes payments to the States. See 31 U.S.C. 3335 and 6503. The implementing regulations are in Title 31 of the Code of Federal Regulations (CFR), Part 205, https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title31/31cfr205_main_02.tpl. Non-Federal entities other than States follow the rules on Federal payments set out in 2 CFR 200.305.

Q What is a Treasury-State Agreement (TSA)?

A A TSA documents the accepted funding techniques and methods for calculating interest agreed upon by the U.S. Department of the Treasury (Treasury) and a State. It identifies the Federal assistance programs that are subject to interest liabilities under the CMIA. The CMIA regulations specify a number of different funding techniques that may be used by a State but a State can negotiate with the Treasury Department to establish a different funding technique for a particular program. A TSA is effective until terminated and, if a state does not have a TSA, payments to the State are subject to the default techniques in the regulations that Treasury determines are appropriate.

Q What are the CMIA requirements for a program subject to a Treasury-State Agreement?

A Payments to a State under a program of the Department are subject to the interest liability requirements of the CMIA if the program is included in the State's Treasury-State Agreement (TSA) with the Department of Treasury. If the Federal government is late in making a payment to a State, it owes interest to the State from the time the State spent its funds to pay for expenditure until the time the Federal government deposits funds to the State's account to pay for the expenditure. Conversely, if a State is late in making a payment under a program of the Department, the State owes interest to the Federal government from the time the Federal government deposited the funds to the State's account until the State uses those funds to make a payment. For more information, GAN Enclosure 4.

Q What are the CMIA requirements for a program that is not subject to a Treasury-State Agreement?

A If a program is not included in the State's TSA, neither the State nor the Federal government are liable for interest for making late payments. However, both the Federal government and the State must minimize the time elapsing between the date the State requests funds and the date that the funds are deposited to the State's accounts. The State is also required to minimize the time elapsed between the date it receives funds from the Federal government and the date it makes a payment under the program. Also, the Department must minimize the amount of funds transferred to a State to only that needed to meet the immediate cash needs of the State. The timing and amount of funds transferred must be as close as is administratively feasible to a State's actual cash outlay for direct program costs and the proportionate share of any allowable indirect costs.

Q What if there is no TSA?

GAN ATTACHMENT 5

Revised 03/2021

- A** When a State does not have a TSA in effect, default procedures in 31 CFR, part 205 that the Treasury Department determines appropriate apply. The default procedures will prescribe efficient funds transfer procedures consistent with State and Federal law and identify the covered Federal assistance programs and designated funding techniques.
- Q Who is responsible for Cash Management?**
- A** Grantees and subgrantees that receive grant funds under programs of the Department are responsible for maintaining internal controls regarding the management of Federal program funds under the Uniform Guidance in 2 CFR 200.302 and 200.303. In addition, grantees are responsible for ensuring that subgrantees are aware of the cash management and requirements in 2 CFR part 200, subpart D.
- Q Who is responsible for monitoring cash drawdowns to ensure compliance with cash management policies?**
- A** Recipients must monitor their own cash drawdowns **and** those of their subrecipients to assure substantial compliance to the standards of timing and amount of advances.
- Q How soon may I draw down funds from the G5 grants management system?**
- A** Grantees are required to minimize the amount of time between the drawdown and the expenditure of funds from their bank accounts. (See 2 CFR 200.305(b).) Funds must be drawn only to meet a grantee's immediate cash needs for each individual grant. The G5 screen displays the following message:
- By submitting this payment request, I certify to the best of my knowledge and belief that the request is based on true, complete, and accurate information. I further certify that the expenditures and disbursements made with these funds are for the purposes and objectives set forth in the applicable Federal award or program participation agreement, and that the organization on behalf of which this submission is being made is and will remain in compliance with the terms and conditions of that award or program participation agreement. I am aware that the provision of any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me, and the organization on behalf of which this submission is being made, to criminal, civil, or administrative penalties for fraud, false statements, false claims, or other violations. (U.S. Code Title 18, Section 1001; Title 20, Section 1097; and Title 31, Sections 3729-3730 and 3801-3812)**
- Q How may I use Federal funds?**
- A** Federal funds must be used as specified in the Grant Award Notification (GAN) and the approved application or State plan for allowable direct costs of the grant and an allocable portion of indirect costs, if authorized.
- Q What are the consequences to recipients/subrecipients for not complying with terms of the grant award?**
- A** If a recipient or subrecipient materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, including those in 2 CFR part 200, an assurance, the GAN, or elsewhere, the awarding agency may in accordance with 2 CFR 200.339 take one or more of the following actions:

GAN ATTACHMENT 5

Revised 03/2021

1. Temporarily withhold cash payments pending correction of the deficiency by the non-Federal entity or more severe enforcement action by the Federal awarding agency or pass-through entity.
2. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity not in compliance.
3. Wholly or partly suspend or terminate the Federal award.
4. Initiate suspension or debarment proceedings as authorized under 2 CFR part 180 and Federal award agency regulations (or in the case of a pass-through be initiated by a Federal awarding agency).
5. Withhold further Federal awards for the project or program.
6. Take other remedies that may be legally available.

Q Who is responsible for determining the amount of interest owed to the Federal government?

A As set forth in 31 CFR 205.9, the method used to calculate and document interest liabilities is included in the State's TSA. A non-State entity must maintain advances of Federal funds in interest-bearing accounts unless certain limited circumstance apply and remit interest earned on those funds to the Department of Health and Human Services, Payment Management System annually. See 2 CFR 200.305.

Q What information should accompany my interest payment?

A In accordance with 2 CFR 200.305(b)(9), interest in excess of \$500.00 earned on Federal advance payments deposited in interest-bearing accounts must be remitted annually to the Department of Health and Human Services Payment Management System (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment.

For returning interest on Federal awards paid through PMS, the refund should:

- (a) Provide an explanation stating that the refund is for interest;
- (b) List the PMS Payee Account Number(s) (PANs);
- (c) List the Federal award number(s) for which the interest was earned; and
- (d) Make returns payable to: Department of Health and Human Services.

For returning interest on Federal awards not paid through PMS, the refund should:

- (a) Provide an explanation stating that the refund is for interest;
- (b) Include the name of the awarding agency;
- (c) List the Federal award number(s) for which the interest was earned; and
- (d) Make returns payable to: Department of Health and Human Services.

For additional information about returning interest see GAN ATTACHMENT 4.

Q Are grant recipients/subrecipients automatically permitted to draw funds in advance of the time they need to disburse funds in order to liquidate obligations?

A The payment requirements in 2 CFR 200.305(b) authorize a grantee or subgrantee to request funds in advance of expenditures if certain conditions are met. However, if those conditions are not met, the Department and a pass-through agency may place a payee on reimbursement.

GAN ATTACHMENT 5

Revised 03/2021

Q For formula grant programs such as ESEA Title I, for which States distribute funds to LEAs, may States choose to pay LEAs on a reimbursement basis?

A A subgrantee must be paid in advance if it meets the standards for advance payments in 2 CFR 200.305(b)(1) but if the subgrantee cannot meet those standards, the State may put the subgrantee on reimbursement payment. See 2 CFR 200.305(b).

Q Will the Department issue special procedures in advance if G5 plans to shut down for 3 days or more?

A Yes, before any shutdown of G5 lasting three days or more, the Department issues special guidance for drawing down funds during the shut down. The guidance will include cash management improvement act procedures for States and certain State institutions of higher education and procedures for grants (including Pell grants) that are not subject to CMIA.

| | (1) The Office of Management and Budget requires all Federal agencies to assign a Federal Award Identifying Number (FAIN) to each of their financial assistance awards. The PR/AWARD NUMBER identified in Block 2 is your FAIN. If subawards are permitted under this grant, and you choose to make subawards, you must document the assigned PR/AWARD NUMBER (FAIN) identified in Block 2 of this Grant Award Notification on each subaward made under this grant. The term subaward means: 1. A legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that you as the recipient award to an eligible subrecipient. (See 2 CFR 200.331(a)) 2. The term does not include your procurement of property and services needed to carry out the project or program (The payments received for goods or services provided as a contractor are not Federal awards, see 2 CFR 200.501(f) of the OMB Uniform Guidance: "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards"). 3. A subaward may be provided through any legal agreement, including an agreement that you or a subrecipient considers a contract. (See 2 CFR 200.1) | | | | | | | | |
| | (2) THE FOLLOWING ITEMS ARE INCORPORATED IN THE GRANT AGREEMENT: 1) THE RECIPIENT'S APPLICATION (BLOCK 2); 2) THE APPLICABLE EDUCATION DEPARTMENT REGULATIONS: 2 CFR PART 180, NONPROCUREMENT DEBARMENT AND SUSPENSION AS ADOPTED AT 2 CFR PART 3485; 2 CFR PART 200 AS ADOPTED AT 2 CFR 3474 (BLOCK 8), AND 34 CFR PARTS 75, 77, 79, 81, 82, 84, 86, 97, 98, 99; AND THE PROGRAM REGULATIONS SPECIFIED IN BLOCK 8; AND 3) THE SPECIAL TERMS AND CONDITIONS SHOWN AS ATTACHMENTS IN BLOCK 8 ON THE INITIAL AWARD APPLY UNTIL CHANGED. | | | | | | | | |
| | THIS AWARD SUPPORTS ONLY THE BUDGET PERIOD SHOWN IN BLOCK 6. IN ACCORDANCE WITH 34 CFR 75.253, THE SECRETARY CONSIDERS, AMONG OTHER THINGS, CONTINUED FUNDING IF: 1) CONGRESS HAS APPROPRIATED SUFFICIENT FUNDS UNDER THE PROGRAM; 2) THE DEPARTMENT DETERMINES THAT CONTINUING THE PROJECT WOULD BE IN THE BEST INTEREST OF THE GOVERNMENT; 3) THE GRANTEE HAS MADE SUBSTANTIAL PROGRESS TOWARD MEETING THE GOALS AND OBJECTIVES OF THE PROJECT; 4) THE SECRETARY ESTABLISHED PERFORMANCE MEASUREMENT REQUIREMENTS FOR THE GRANT IN THE APPLICATION NOTICE, THE PERFORMANCE TARGETS IN THE GRANTEE'S APPROVED APPLICATION; 5) THE RECIPIENT HAS SUBMITTED REPORTS OF PROJECT PERFORMANCE AND BUDGET EXPENDITURES THAT MEET THE REPORTING REQUIREMENTS FOUND AT 34 CFR 75.118, 2 CFR 200.328 AND 200.329, AND ANY OTHER REPORTING REQUIREMENTS ESTABLISHED BY THE SECRETARY; AND | | | | | | | | |

6) THE GRANTEE HAS MAINTAINED FINANCIAL AND ADMINISTRATIVE MANAGEMENT SYSTEMS THAT MEET THE REQUIREMENTS IN 2 CFR 200.302, FINANCIAL MANAGEMENT, AND 2 CFR 200.303, INTERNAL CONTROLS.

IN ACCORDANCE WITH 2 CFR 200.308(c)(2) CHANGES TO KEY PERSONNEL IDENTIFIED IN BLOCK 5 MUST RECEIVE PRIOR APPROVAL FROM THE DEPARTMENT.

THE SECRETARY ANTICIPATES FUTURE FUNDING FOR THIS AWARD ACCORDING TO THE SCHEDULE IDENTIFIED IN BLOCK 6. THESE FIGURES ARE ESTIMATES ONLY AND DO NOT BIND THE SECRETARY TO FUNDING THE AWARD FOR THESE PERIODS OR FOR THE SPECIFIC AMOUNTS SHOWN. THE RECIPIENT WILL BE NOTIFIED OF SPECIFIC FUTURE FUNDING ACTIONS THAT THE SECRETARY TAKES FOR THIS AWARD.

- (3) Unless this grant solely funds research, you must comply with new regulations regarding awards to faith-based organizations (FBOs) that provide beneficiary services under this grant or under a contract you award to provide beneficiary services under this grant. These new regulations clarify the rights of FBOs and impose certain duties on FBOs regarding the referral of beneficiaries they serve. See 34 CFR 75.52, 75.712-75.714, appendix A to part 75, and 2 CFR 3474.15. The Department has established a web page that provides guidance on the new regulations, including FAQs and other implementation tools, which is available at <http://www2.ed.gov/policy/fund/reg/fbci-reg.html>. If you have any questions about these regulations, please contact the Education Program Contact identified in Block 3 of this GAN.
- (4) Reimbursement of indirect costs is subject to the availability of funds and statutory and regulatory restrictions. The negotiated indirect cost rate agreement authorizes a non-Federal entity to draw down indirect costs from the grant awards. The following conditions apply to the below entities.

A. All entities (other than institutions of higher education (IHE))

The GAN for this grant award shows the indirect cost rate that applies on the date of the initial grant for this project. However, after the initial grant date, when a new indirect cost rate agreement is negotiated, the newly approved indirect cost rate supersedes the indirect cost rate shown on the GAN for the initial grant. This new indirect cost rate should be applied according to the period specified in the indirect cost rate agreement, unless expressly limited under EDGAR or program regulations. Any grant award with an approved budget can amend the budget to account for a change in the indirect cost rate. However, for a discretionary grant award any material changes to the budget which may impact the scope or objectives of the grant must be discussed with the program officer at the Department. See 34 CFR 75.560 (d)(3) (ii) (part 75 of EDGAR).

B. Institutions of higher education (IHE)

Under 2 CFR part 200, Appendix III, Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Institutions of Higher Education (IHEs), the Department must apply the negotiated indirect cost rate in effect on the date of the initial grant award to every budget period of the project, including all continuation grants made for this project. See 2 CFR Part 200, Appendix III, paragraph C.7. Therefore, the GAN for each continuation grant will show the original indirect cost rate and it applies to the entire period of performance of this project. If the indirect cost rate agreement that is applicable to this grant does not extend to the end of the grant's project period, the indirect cost rate set at the start of the project period must still be applied to the end of project period regardless of the fact that the rate has otherwise expired.

It will either identify the date the performance report is due or state that the Department will provide additional information about this report, including due date, at a later time.
2. That an interim performance report is required because of the nature of the award or because of statutory or regulatory provisions governing the program under which this award is made, and that the report is due more frequently than annually as indicated, e.g., due quarterly and submitted within 30 days after the end of each quarter, or due semiannually and submitted within 30 days after the end of each 6-month period ([2 CFR § 200.329\(c\)\(1\)](#)).

1. A grant involves cost sharing, and the ED 524B, which collects cost sharing information, is not submitted or a program-specific report approved by U.S. Office of Management and Budget (OMB) does not collect cost sharing information;
2. Program income was earned;

GAN ATTACHMENT 2

Revised 03/2021

3. Indirect cost information is to be reported and the ED 524B was not used or a program-specific report approved by OMB does not collect indirect cost information;
4. Program regulations or statute require the submission of the FFR; or
5. Specific Award Conditions, or specific grant or subgrant conditions for designation of "high risk," were imposed in accordance with 2 C.F.R. part [200.208](#) and part [3474.10](#) and required the submission of the FFR.

If the FFR is required, the notification may indicate one of the following (see the form and its instructions at [Standard Form \(SF\) 425 Federal Financial Report \(FFR\)](#)):

1. Quarterly - FFRs are required for reporting periods ending on 12/31, 03/31, 06/30, 09/30, and are due within 30 days after each reporting period.
2. Semi-annual - FFRs are required for reporting periods ending on 03/31 and 09/30, and are due within 30 days after each reporting period.

4. Final - In coordination with the submission of final performance reports, FFRs are due within 120 days after the project or grant period end date (2 CFR [200.328](#)).

When completing an FFR for submission, the following must be noted:

1. *Multiple Grant Reporting Using SF 425A Prohibited:* While the FFR is a governmentwide form that is designed for single grant and multiple grant award reporting, the Department's policy is that multiple grant award reporting is not permitted for Department grants. Thus, a Department grantee that is required to submit an FFR in accordance with any of the above referenced selections must complete and submit one FFR for each of its grants. Do not use the FFR attachment (Standard Form 425A), which is available for reporting multiple grants, for reporting on Department grants. As such, references to multiple grant reporting and to the FFR attachment in items 2, 5 and 10 of the FFR are not applicable to Department grantees. With regards to item 1 of the note found in the FFR Instructions, a grantee must complete items 10(a) through 10(o) for each of its grants. The multiple award, multiple grant, and FFR attachment references found in items 2, 5, 6, before 10(a), in item 10(b), before 10(d), before 10(i) and before 10(l) of the Line Item Instructions for the FFR are not applicable to Department grants.
2. *Program Income:* Unless disallowed by statute or regulation, a grantee will complete item 10(m) or 10(n) in accordance with the options or combination of options as provided in 2 CFR Part [200.307](#). A grantee is permitted, in accordance with 2 CFR Part [200.307](#), to add program income to its Federal share to further eligible project or program objectives, use program income to finance the non-Federal share of the project or program; and deduct program income from the Federal share of the total project costs.
3. *Indirect Costs:* A grantee will complete item 11(a) by listing the indirect cost rate type identified on its indirect cost rate agreement, as approved by its cognizant agency for indirect costs.

A Department grantee that does not have an indirect cost rate agreement approved by its cognizant agency for indirect costs, and that is using the Department approved (beyond the 90-day temporary period) temporary indirect cost rate of 10% of budgeted direct salaries and wages, or the de minimis rate of 10% of modified total direct cost (MTDC) must list its indirect cost rate in 11(a) as a Department Temporary Rate or De Minimis Rate. The de minimis rate of 10% of MTDC consists of:

All direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and contracts up to the first \$25,000 of each subaward (i.e., subgrant). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$25,000. Other items, including contract costs in excess of \$25,000, may be excluded when necessary to avoid a serious inequity in the distribution of indirect costs (see definition of MTDC at [2 CFR § 200.1](#)).

A training program grantee whose recovery of indirect cost limits indirect cost recovery to 8% of MTDC or the grantees negotiated indirect cost rate, whichever is less in accordance with EDGAR § [75.562 \(c\)](#), must list its rate in 11(a) as a Department Training Grant Rate. The 8% limit does not apply to agencies of Indian tribal governments, local governments, and States¹ as defined in [2 CFR § 200.1](#)

A restricted program grantee must list its rate as a Restricted Indirect Cost Rate in 11(a). A restricted program (i.e., programs with statutory supplement-not-supplant requirements) grantee must utilize a restricted indirect cost rate negotiated with its cognizant agency for indirect costs, or may elect to utilize a restricted indirect cost rate of 8% MTDC if their negotiated restricted indirect cost rate calculated under 34 CFR [75.563](#) and [76.564 – 76.569](#), is not less than 8% MTDC. A State or local government² that is a restricted program grantee may not elect to utilize the 8% MTDC rate. Additionally, restricted program grantees may not utilize the de minimis rate, but may utilize the temporary rate until a restricted indirect cost rate is negotiated. If a restricted program grantee elects to utilize the temporary rate, it must list its rate as a Department Temporary Rate in 11(a).

Grantees with indirect cost rates prescribed in program statute or regulation must list their rate as a Rate Required in Program Statute or Regulation in 11(a). Grantees are required to follow program-specific statutory or regulatory requirements that mandate either indirect cost rate type or maximum administrative costs recovery.

For detailed information including restrictions related to temporary, de minimis, training, restricted, and program prescribed indirect cost rates see GAN ATTACHMENT 4.

4. *Supplemental Pages:* If grantees need additional space to report financial information, beyond what is available within the FFR, they should provide supplemental pages. These additional pages must indicate the following information at the top of each page: the PR/Award Number

¹ Note that a State-funded institution of higher education is not considered a “State government” for these purposes; and a Tribal college or university funded by a federally-recognized Tribe is not considered a Tribe for these purposes.

² Note that a State-funded institution of higher education is not considered a “State government” for these purposes.

also known as the Federal Identifying Number or FAIN, recipient organization, Unique Entity Identifier, Employer Identification Number (EIN), and period covered by the report.

AN OVERVIEW OF SINGLE AUDIT REQUIREMENTS OF STATES, LOCAL GOVERNMENTS, AND NONPROFIT ORGANIZATIONS

This GAN ATTACHMENT is **not** applicable to for-profit organizations. For-profit organizations comply with audit requirements specified in block 10 of their Grant Award Notification (GAN).

Summary of Single Audit Requirements for States, Local Governments and Nonprofit Organizations:

1. Single Audit. A non-Federal entity (a State, local government, Indian tribe, Institution of Higher Education (IHE)¹, or nonprofit organization) that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with 2 CFR 200.501, "Audit Requirements," except when it elects to have a program specific audit conducted.
2. Program-specific audit election. When an auditee expends Federal awards under only one Federal program (excluding research and development (R&D)), and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the auditee, the auditee may elect to have a program-specific audit conducted. A program-specific audit may not be elected for R&D unless all of the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.
3. Exemption when Federal awards expended are less than \$750,000. A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in 2 CFR 200.503, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO). Generally, grant records must be maintained for a period of three years after the date of the final expenditure report ([2 CFR § 200.334](#))
4. Federally Funded Research and Development Centers (FFRDC). Management of an auditee that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity.
5. Report Submission. To meet audit requirements of U.S. Office of Management and Budget (OMB) Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards (Uniform Guidance), grantees must submit all audit documents required by Uniform Guidance 2 CFR 200.512, including Form SF-SAC: Data Collection Form electronically to the Federal Audit Clearinghouse at:

¹ As defined under the Higher Education Act of 1965, as amended (HEA) section 101.

<https://facides.census.gov/Account/Login.aspx>.

The audit must be completed, and the data collection form and reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period. If the due date falls on a Saturday, Sunday, or Federal holiday, the reporting package is due the next business day. Unless restricted by Federal statutes or regulations, the auditee must make copies available for public inspection. Auditees and auditors must ensure that their respective parts of the reporting package do not include protected personally identifiable information. (2 CFR 200.512)

Grantees are strongly urged to obtain the "OMB Compliance Supplement" and to contact their cognizant agency for single audit technical assistance.

The designated cognizant agency for single audit purposes is "the Federal awarding agency that provides the predominant amount of direct funding to the recipient." Grantees should obtain a copy of the OMB Compliance supplement. This supplement will be instructive to both grantees and their auditors. Appendix III of the supplement provides a list of Federal Agency Contacts for Single Audits, including addresses, phone numbers, fax numbers, and e-mail addresses for technical assistance.

For single audit-related questions, if the U.S. Department of Education is the cognizant agency, grantees should contact the Non-Federal Audit Team in the Department's Office of Inspector General, at oinon-federalaudit@ed.gov. Additional resources for single audits are also available on the Non-Federal Audit Team's website at <https://www2.ed.gov/about/offices/list/oig/nonfed/index.html>. For programmatic questions, grantees should contact the education program contact shown on the Department's GAN.

Grantees can obtain information on single audits from:

The OMB website at www.omb.gov. Look under Office of Management and Budget (in right column) then click Office of Federal Financial Management (to obtain OMB Compliance Supplement). **FEDERAL FUNDING ACCOUNTABILITY TRANSPARENCY ACT
REPORTING SUBAWARDS AND EXECUTIVE COMPENSATION**

The Federal Funding Accountability and Transparency Act (FFATA) is designed to increase transparency and improve the public's access to Federal government information. To this end, FFATA requires that Department of Education (Department) grant recipients:

1. Report **first-tier subawards** made under Federal grants that are funded at \$30,000 or more that meet the reporting conditions as set forth in this grant award term;
2. Report their executives' compensation for all new Federal grants that are funded at \$30,000 and that meet the reporting conditions as set forth in this grant award term; and

 - A. 80 percent or more of your annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance subject to the Transparency Act, as defined at [2 CFR 170.320](#) (and subawards), **and**
 - B. \$25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance subject to the Transparency Act, as defined at [2 CFR 170.320](#) (and subawards); **and**,
 - C. The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filings at [SEC Investor.gov Executive Compensation](#).)

3. Reporting of Total Compensation of Subrecipient Executives –

a. *Applicability and what to report.*

Unless you are exempt as provided in item 4, Exemptions, of this award term, for each first-tier **non-Federal entity** subrecipient under this award, you shall report the names and total compensation of each of the subrecipient's five most highly compensated executives for the subrecipient's preceding completed fiscal year, if—

- i In the subrecipient's preceding fiscal year, the subrecipient received—

5. Definitions -

- a. For purposes of this award term:

For example, the following are not considered subawards:

Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization, or medical reimbursement plans that do not discriminate in favor of executives and are available generally to all salaried employees.

Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

Above-market earnings on deferred compensation which is not tax-qualified.

Other compensation, if the aggregate value of all such other compensation (e.g., severance, termination payments, value of life insurance paid on behalf of the employee, perquisites, or property) for the executive exceeds \$10,000.

**SPECIFIC CONDITIONS FOR DISCLOSING
FEDERAL FUNDING IN PUBLIC ANNOUNCEMENTS**

When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, U.S. Department of Education grantees shall clearly state:

- 1) the percentage of the total costs of the program or project which will be financed with Federal money;
- 2) the dollar amount of Federal funds for the project or program; and
- 3) the percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

Recipients must comply with these conditions under Division H, Title V, Section 505 of Public Law 116-260, Consolidated Appropriations Act, 2021.

**PROHIBITION OF TEXT MESSAGING AND EMAILING WHILE DRIVING
DURING OFFICIAL FEDERAL GRANT BUSINESS**

Federal grant recipients, sub recipients and their grant personnel are prohibited from text messaging while driving a government owned vehicle, or while driving their own privately-owned vehicle during official grant business, or from using government supplied electronic equipment to text message or email when driving.

Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," October 1, 2009.

**REGISTRATION OF UNIQUE ENTITY IDENTIFIER (UEI) NUMBER AND TAXPAYER
IDENTIFICATION NUMBER (TIN) IN THE SYSTEM FOR AWARD MANAGEMENT (SAM)**

The U.S. Department of Education (Department) Grants Management System (G5) disburses payments via the U.S. Department of Treasury (Treasury). The U.S. Treasury requires that we include your Tax Payer Identification Number (TIN) with each payment. Therefore, in order to do business with the Department you must have a registered Unique Entity Identifier (UEI) and TIN number with the SAM, the U.S. Federal Government's primary registrant database. If the payee UEI number is different than your grantee UEI number, both numbers must be registered in the SAM. Failure to do so will delay the receipt of payments from the Department.

A TIN is an identification number used by the Internal Revenue Service (IRS) in the administration of tax laws. It is issued either by the Social Security Administration (SSA) or by the IRS. A Social Security number (SSN) is issued by the SSA whereas all other TINs are issued by the IRS.

The following are all considered [TINs according to the IRS](#).

- Social Security Number "SSN"
- Employer Identification Number "EIN"
- Individual Taxpayer Identification Number "ITIN"
- Taxpayer Identification Number for Pending U.S. Adoptions "ATIN"
- Preparer Taxpayer Identification Number "PTIN"

If your UEI number is not currently registered with the SAM, you can easily register by going to www.sam.gov. Please allow 3-5 business days to complete the registration process. If you need a new TIN, please allow 2-5 weeks for your TIN to become active. If you need assistance during the registration process, you may contact the SAM Federal Service Desk at 866-606-8220.

If you are currently registered with SAM, you may not have to make any changes. However, please take the time to validate that the TIN associated with your UEI is correct.

If you have any questions or concerns, please contact the G5 Hotline at 888-336-8930.

SYSTEM FOR AWARD MANAGEMENT AND UNIVERSAL IDENTIFIER REQUIREMENTS**1. Requirement for System for Award Management (SAM)**

Unless you are exempted from this requirement under 2 CFR 25.110, you are, in accordance with your grant program's Notice Inviting Applications, required to maintain an active SAM registration with current information about your organization, including information on your immediate and highest level owner and subsidiaries, as well as on all predecessors that have been awarded a Federal contract or grant within the last three years, if applicable, at all times during which you have an active Federal award or an application or plan under consideration by a Federal awarding agency. To remain registered in the SAM database after your initial registration, you are required to review and update your information in the SAM database on an annual basis from the date of initial registration or subsequent updates to ensure it is current, accurate and complete.

2. Requirement for Unique Entity Identifier (UEI) Numbers

If you are authorized to make subawards under this award, you:

1. Must notify potential subrecipients that they may not receive a subaward from you unless they provided their UEI number to you.
2. May not make a subaward to a subrecipient when the subrecipient fails to provide its UEI number to you.

3. Definitions

For purposes of this award term:

1. System for Award Management (SAM) means the Federal repository into which a recipient must provide information required for the conduct of business as a recipient. Additional information about registration procedures may be found at the SAM internet site (currently at <https://www.sam.gov>).
2. Unique Entity Identifier (UEI) means the identifier assigned by SAM registration to uniquely identify business entities.
3. Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients. See 2 CFR 200.86.
4. Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract. See 2 CFR 200.92.

5. Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency. See 2 CFR 200.93.

KEY FINANCIAL MANAGEMENT REQUIREMENTS FOR DISCRETIONARY GRANTS AWARDED BY THE DEPARTMENT OF EDUCATION

The Department expects grantees to administer Department grants in accordance with generally accepted business practices, exercising prudent judgment so as to maintain proper stewardship of taxpayer dollars. This includes using fiscal control and fund accounting procedures that insure proper disbursement of and accounting for Federal funds. In addition, grantees may use grant funds only for obligations incurred during the funding period.

Title 2 of the Code of Federal Regulations Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," establishes requirements for Federal awards made to non-Federal entities. The Education Department General Administrative Regulations in 34 CFR (EDGAR) 75, 76, 77, 79, 81, 82, 84, 86, 97, 98, and 99 contain additional requirements for administering discretionary grants made by this Department. The most recent version of these regulations may be accessed at the following URLs:

[The Education Department General Administrative Regulations \(EDGAR\)](#)

[2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards](#)

The information on page 2, "Selected Topics in Administering Department Discretionary Grants," highlights major administrative requirements of 2 CFR Part 200. In addition, a few of the topics discuss requirements that the Department imposes on its discretionary grantees under EDGAR, Part 75 (Direct Grants). The specific sections of 2 CFR Part 200 and of EDGAR that address the topics discussed are shown in parentheses. The Department urges grantees to read the full text of these and other topics in EDGAR and in 2 CFR Part 200.

Grantees are reminded that a particular grant might be subject to additional requirements of the authorizing statute for the program that awarded the grant and/or any regulations issued by the program office. Grantees should become familiar with those requirements as well, because program-specific requirements might differ from those in 2 CFR Part 200 and in EDGAR.

The Department recommends that the project director and the fiscal management staff of a grantee organization communicate frequently with each other about the grant budget. Doing so will help to assure that you use Federal funds only for those expenditures associated with activities that conform to the goals and objectives approved for the project.

Grantees may direct any questions regarding the topics discussed on page 2, "Selected Topics in Administering Department Discretionary Grants," or about any other aspect of administering your grant award to the Department program staff person named in Block 3 of the Grant Award Notification.

SELECTED TOPICS IN ADMINISTERING DEPARTMENT DISCRETIONARY GRANTS

I. Financial Management Systems (2 CFR Part 200.302)

In general, grantees are required to have financial management systems that:

- * provide for accurate, current, and complete disclosure of results regarding the use of funds under grant projects;
- * provide adequate source documentation for Federal and non-Federal funds used under grant projects;
- * contain procedures to determine the allowability, allocability, and reasonableness of obligations and expenditures made by the grantee; and
- * enable the grantee to maintain effective internal control and fund accountability procedures, e.g., requiring separation of functions so that the person who makes obligations for the grantee is not the same person who signs the checks to disburse the funds for those obligations.

State systems must account for funds in accordance with State laws and procedures that apply to the expenditure of and the accounting for a State's own funds. A State's procedures, as well as those of its subrecipients and cost-type contractors, must be sufficient to permit the preparation of reports that may be required under the award as well as provide the tracing of expenditures to a level adequate to establish that award funds have not been used in violation of any applicable statutory restrictions or prohibitions.

II. Federal Payment (2 CFR Part 200.305)

Under this part --

- * the Department pays grantees in advance of their expenditures if the grantee demonstrates a willingness and ability to minimize the time between the transfer of funds to the grantee and the disbursement of the funds by the grantee;
- * grantees repay to the Federal government interest earned on advances; and
- * grantees, generally, must maintain advance payments of Federal awards in interest bearing accounts.

In general, grantees should make payment requests frequently, only for small amounts sufficient to meet the cash needs of the immediate future.

The Department has recently encountered situations where grantees failed to request funds until long after the grantee actually expended its own funds for the costs of its grant. Grantees need to be aware that, by law, Federal funds are available for grantees to draw down for only a limited period of time, after which the funds revert to the U.S. Treasury. In some cases grantees have requested funds too late for the Department to be able to pay the grantees for legitimate costs incurred during their project periods.

GAN ENCLOSURE 1

Revised 03/2021

The Department urges financial managers to regularly monitor requests for payment under their grants to assure that Federal funds are drawn from the Department G5 Payment System at the time those funds are needed for payments to vendors and employees.

III. Personnel (EDGAR §§ 75.511-75.519 and 2 CFR Part 200 Subpart D and E)

The rules governing personnel costs are located in EDGAR Part 75 and 2 CFR Part 200 Subparts D and E. Part 75 covers issues such as paying consultants with grant funds, prohibiting dual compensation of staff, and waiving the requirement for a full-time project director. The rules clarifying changes in key project staff are located in 2 CFR Part 200.308 (c)(2). General rules governing reimbursement of salaries and compensation for staff working on grant projects are addressed in the cost principles in 2 CFR Part 200 Subpart D and E. In all cases, payments of any type to personnel must be supported by complete and accurate records of employee time and effort. For those employees that work on multiple functions or separately funded programs or projects, the grantee must also maintain time distribution records to support the allocation of employee salaries among each function and separately funded program or project.

IV. Cost Principles (2 CFR Part 200 Subpart E)

All costs incurred under any grant are subject to the cost principles found in 2 CFR Part 200 Subpart E. The cost principles provide lists of selected items of allowable and unallowable costs, and must be used in determining the allowable costs of work performed under the grant.

V. Procurement Standards (2 CFR Part 200.317-327)

Under 2 CFR Part 200.317, States are required to follow the procurement rules the States have established for purchases funded by non-Federal sources. When procuring goods and services for a grant's purposes, all other grantees may follow their own procurement procedures, but only to the extent that those procedures meet the minimum requirements for procurement specified in the regulations. These requirements include written competition procedures and codes of conduct for grantee staff, as well as requirements for cost and price analysis, record-keeping and contractor compliance with certain Federal laws and regulations. These regulations also require grantees to include certain conditions in contracts and subcontracts, as mandated by the regulations and statutes.

VI. Indirect Costs (EDGAR §§75.560-564 and 2 CFR Part 200.414)

In addition to the information presented below, see GAN ATTACHMENT 4 for additional information including restrictions related to temporary, de minimis, training, restricted, and program prescribed indirect cost rates.

A. Unrestricted Indirect Cost Rate

To utilize an unrestricted indirect cost rate, a grantee must have an indirect cost agreement with its cognizant agency, submit an indirect cost rate proposal to its cognizant agency for indirect

GAN ENCLOSURE 1

Revised 03/2021

costs (cognizant agency) within 90 days after the award of this grant or elect to utilize the de minimis rate under 2 CFR § 200.414(f) or the temporary indirect cost rate (subject to limitations described below).

The grantee must provide proof of its negotiated indirect cost rate agreement to the Department as soon as it has signed such an agreement with its cognizant agency.

B. Temporary Indirect Cost Rate

A grantee that does not have a current negotiated indirect cost rate agreement may recover indirect costs at a temporary rate, which is limited to 10% of budgeted direct salaries and wages (See 34 CFR § 75.560(c)); or it may choose not to charge indirect costs to the grant. The temporary rate can only be used for 90 days unless the exceptional circumstances apply under 34 CFR § 75.560(d)(2).

If the grantee has not submitted its indirect cost proposal to its cognizant agency within the 90-day period, it may no longer recover indirect costs utilizing the temporary indirect cost rate until it has negotiated an indirect cost rate agreement with its cognizant agency. Once a grantee obtains a federally recognized indirect cost rate that is applicable to this grant, the grantee may use that indirect cost rate to claim indirect cost reimbursement.

C. De minimis Indirect Cost Rate

Institutions of Higher Education (IHEs), federally-recognized Indian Tribes, State and Local Governments¹ receiving less than \$35 million in direct federal funding, and nonprofit organizations, if they do not have a current negotiated (including provisional) rate, and are not subject to the Department's training rate or restricted rate (supplement-not-supplant provisions) may elect to charge a de minimis indirect cost rate of 10% of modified total direct costs (MTDC). This rate may be used indefinitely.

MTDC consists of all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and contracts up to the first \$25,000 of each subaward (i.e., subgrant). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$25,000. Other items, including contract costs in excess of \$25,000, may be excluded when necessary to avoid a serious inequity in the distribution of indirect costs (see definition of MTDC at 2 CFR § 200.1).

Additionally, the de minimis rate may not be used by grantees that are subject to the Department's training indirect cost rate (34 CFR § 75.562) or restricted indirect cost rate. The de minimis rate may be used indefinitely. However, if a grantee chooses to use the de minimis rate to recover indirect costs, it must do so for all of its Federal awards until such time as the grantee negotiates an indirect cost rate with its cognizant agency. Once a grantee obtains a federally recognized indirect cost rate that is applicable to this grant, the grantee may use that indirect cost rate to claim indirect cost reimbursement.

¹ Note that a State-funded institution of higher education is not considered a "State government" for these purposes.

GAN ENCLOSURE 1

Revised 03/2021

D. Programs with a Supplement-not-supplant requirement (restricted indirect cost rate)

A restricted program (i.e., programs with statutory supplement-not-supplant requirements) grantee must utilize a restricted indirect cost rate negotiated with its cognizant agency for indirect costs, or may elect to utilize a restricted indirect cost rate of 8% MTDC if their negotiated restricted indirect cost rate calculated under 34 CFR 75.563 and 76.564 – 76.569, is not less than 8% MTDC. A State or local government² that is a restricted program grantee may not elect to utilize the 8% MTDC rate. Additionally, restricted program grantees may not utilize the de minimis rate, but may utilize the temporary rate until a restricted indirect cost rate is negotiated.

E. Training Grant Indirect Cost Rate

If the grantee is a training grant recipient and is not a State, local, or Tribal government³, the grantee must negotiate a rate under 34 CFR 75.562. This provision limits indirect cost recovery to 8% of modified total direct costs or the grantees negotiated indirect cost rate, whichever is less.

The recovery using the training grant indirect cost rate is subject to the following limitations:

- i. The lesser of the 8% indirect cost rate or negotiated indirect cost rate also applies to sub-awards that fund training.
- ii. The 8% limit does not apply to agencies of Indian tribal governments, local governments, and States as defined in 2 CFR § 200.1, respectively.
- iii. Indirect costs in excess of the 8% limit may not be charged directly, used to satisfy matching or cost-sharing requirements, or charged to another Federal award.
- iv. A grantee using the training rate of 8% is required to have documentation available for audit that shows that its negotiated indirect cost rate is at least 8%.

F. Program-Specific Indirect Cost Rate

Grantees are required to follow program-specific statutory or regulatory requirements that mandate either indirect cost rate type or maximum administrative costs recovery instead of the general requirements described here.

VII. Audit Requirements (2 CFR Part 200 Subpart F)

2 CFR 200 Subpart F requires that grantees that are non-Federal entities (a State, local government, Indian tribe, IHE, or nonprofit organization that carries out a Federal award as a recipient or subrecipient) obtain a non-Federal audit of their expenditures under their Federal grants if the grantee expends more than \$750,000 in Federal funds in one fiscal year. 2 CFR Part 200 Subpart F contains the requirements imposed on grantees for

² Note that a State-funded institution of higher education is not considered a “State government” for these purposes.

³ Note that a State-funded institution of higher education is not considered a “State government” for these purposes; and a Tribal college or university funded by a federally-recognized Tribe is not considered a Tribe for these purposes.

audits done in connection with the law.

The Department recommends hiring auditors who have specific experience in auditing Federal awards under the regulations and the Compliance Supplement.

VIII. Other Considerations

Some other topics of financial management covered in 2 CFR Part 200 that might affect particular grants include program income (2 CFR Part 200.307), cost sharing or matching (2 CFR Part 200.306), property management requirements for equipment and other capital expenditures (2 CFR Parts 200.313, 200.439).

MEMORANDUM TO ED DISCRETIONARY GRANTEES

You are receiving this memorandum to remind you of Federal requirements, found in 2 CFR Part [200](#), *Uniform Administrative Requirements, Cost Principles, and Audit Requirements*, regarding cash drawdowns under your grant account.

For any cash that you draw from your Department of Education (*the Department*) grant account, you must:

- draw down only as much cash as is necessary to meet the immediate needs of the grant project;
- keep to the minimum the time between drawing down the funds and paying them out for grant activities; and
- return to the Government the interest earned on grant funds deposited in interest-bearing bank accounts except for a small amount of interest earned each year that your entity is allowed to keep to reimburse itself for administrative expenses).

In order to meet these requirements, you are urged to:

- take into account the need to coordinate the timing of drawdowns with prior internal clearances (e.g., by boards, directors, or other officials) when projecting immediate cash needs so that funds drawn down from ED do not stay in a bank account for extended periods of time while waiting for approval;
- monitor the fiscal activity (drawdowns and payments) under your grant on a continuous basis;
- plan carefully for cash flow in your grant project during the budget period and review project cash requirements before each drawdown; and
- pay out grant funds for project activities as soon as it is practical to do so after receiving cash from the Department.

Keep in mind that the Department monitors cash drawdown activity for all grants. Department staff will contact grantees who appear to have drawn down excessive amounts of cash under one or more grants during the fiscal quarter to discuss the particular situation. For the purposes of drawdown monitoring, the Department will contact grantees who have drawn down 50% or more of the grant in the first quarter, 80% or more in the second quarter, and/or 100% of the cash in the third quarter of the budget period. However, even amounts less than these thresholds could still represent excessive drawdowns for your particular grant activities in any particular quarter. Grantees determined to have drawn down excessive cash will be required to return the excess funds to the Department, along with any associated earned interest, until such time as the money is legitimately needed to pay for grant activities. If you need assistance with returning funds and interest, please contact the Department's G5 Hotline by calling 1-888-336-8930.

Grantees that do not follow Federal cash management requirements and/or consistently appear on the Department's reports of excessive drawdowns could be:

- subjected to specific award conditions or designated as a "high-risk" grantee [2 CFR Part [200.208](#) and 2 CFR [3474.10](#)], which could mean being placed on a "cash-reimbursement" payment method (i.e., a grantee would experience the inconvenience of having to pay for grant activities with its own money and waiting to be reimbursed by the Department afterwards);

- subject to further corrective action;
- denied selection for funding on future ED grant applications [EDGAR [75.217\(d\)\(3\)\(ii\)](#)]; and/or
- debarred or suspended from receiving future Federal awards from any executive agency of the Federal government.

You are urged to read 2 CFR Part 200.[305](#) to learn more about Federal requirements related to grant payments and to determine how to apply these requirements to any subgrantees. You are urged to make copies of this memorandum and share it with all affected individuals within your organization.

THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

- Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
 - Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
- Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.” In particular, remember that:
 - Federal grant funds cannot be used to pay for alcoholic beverages; and
 - Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
- Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
 - When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.
- A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
 - A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
- A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.

GAN ENCLOSURE 3

Revised 03/2021

- All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:

The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.
- Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.
 - A short conversation could help avoid a costly and embarrassing mistake.
- Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting- and conference-related expenses.

**MEMORANDUM TO REMIND DEPARTMENT OF EDUCATION GRANTEEES OF EXISTING CASH
MANAGEMENT REQUIREMENTS CONCERNING PAYMENTS**

The Department of Education (Department) requires that its grantees adhere to existing cash management requirements concerning payments and will ensure that their subgrantees are also aware of these policies by providing them relevant information. A grantee's failure to comply with cash management requirements may result in an improper payment determination by the Department in accordance with the [Payment Integrity Information Act \(PIIA\) of 2019](#).

There are three categories of payment requirements that apply to the drawdown of funds from grant accounts at the Department. The first two types of payments are subject to the requirements in the Treasury Department regulations implementing the Cash Management Improvement Act (CMIA) of 1990, 31 U.S.C.6513, and the third is subject to the requirements in the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) at 2 CFR part 200,¹ as follows:

1. Payments to a State under programs that are covered by a State's Treasury State Agreement (TSA);
2. Payments to States under programs that are not covered by a TSA; and
3. Payments to other non-Federal entities, including nonprofit organizations and local governments.

CMIA Requirements Applicable to Programs included in a TSA

Generally, under the Treasury Department regulations implementing the CMIA, only major assistance programs (large-dollar programs meeting thresholds in 31 CFR § 205.5) are included in a State's written TSA. See 31 CFR § 205, subpart A. Programs included in a TSA must use approved funding techniques and both States and the Federal government are subject to interest liabilities for late payments. State interest liabilities accrue from the day federal funds are credited to a State account to the day the State pays out the federal funds for federal assistance program purposes. 31 CFR § 205.15. If a State makes a payment under a Federal assistance program before funds for that payment have been transferred to the State, Federal Government interest liabilities accrue from the date of the State payment until the Federal funds for that payment have been deposited to the State account. 31 CFR § 205.14.

CMIA Requirements Applicable to Programs Not Included in a TSA

Payments to States under programs not covered by a State's TSA are subject to subpart B of Treasury's regulations in 31 CFR § 205. These regulations provide that a State must minimize the time between the drawdown of funds from the federal government and their disbursement for approved program activities. The timing and amount of funds transfers must be kept to a minimum and be as close as is administratively feasible to a State's actual cash outlay for direct program costs and the proportionate share of any allowable indirect costs. 31 CFR § 205.33(a). States should exercise sound cash management in funds transfers to subgrantees.

¹ The Department adopted the Uniform Guidance as regulations of the Department at 2 CFR part 3474.

Under subpart B, neither the States nor the Department owe interest to the other for late payments. 31 CFR § 205.33(b). However, if a State or a Federal agency is consistently late in making payments, Treasury can require the program to be included in the State's TSA. 31 CFR § 205.35.

Fund transfer requirements for grantees other than State governments and subgrantees

The transfer of Federal program funds to grantees other than States and to subgrantees are subject to the payment and interest accrual requirements in the Uniform Guidance at 2 CFR § 200.305(b). These requirements are like those in subpart B of the Treasury Department regulations in 31 CFR part 205, requiring that "payments methods must minimize the time elapsing between the transfer of funds from the United States Treasury or the pass-through entity and the disbursement by the non-Federal entity." 2 CFR § 200.305(b) introduction.

The Federal Government and pass-through entities must make payments in advance of expenditures by grantees and subgrantees if these non-Federal entities maintain, or demonstrate the willingness to maintain, written procedures "that minimize the time elapsing between the transfer of funds and disbursement by the non-Federal entity, and financial management systems that meet the standards for fund control and accountability." 2 CFR § 200.305(b)(1). If a grantee or subgrantee cannot meet the criteria for advance payments, a Federal agency or pass-through entity can pay that entity through reimbursement. See 2 CFR § 200.305(b)(1) and (4) for more detailed description of the payment requirements and the standards for requiring that payments be made by reimbursement.

Non-Federal entities must maintain advance payments in interest bearing accounts unless certain conditions exist. See 2 CFR § 200.305(b)(8) for those conditions. The requirements regarding interest accrual and remittance follow:

Grantees and subgrantees must annually remit interest earned on federal advance payments except that interest earned amounts up to \$500 per year may be retained for administrative expense. Any additional interest earned on Federal advance payments deposited in interest-bearing accounts must be remitted annually to the Department of Health and Human Services Payment Management System (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment. 2 CFR § 200.305(b)(9)(i) and (ii).

1. When returning interest through ACH Direct Deposit or Fedwire, grantees must include the following in their return transaction:
 - PMS Account Number (PAN). NOTE: The PAN is the same series of alpha-numeric characters used for payment request purposes (e.g.: C1234G1).
 - PMS document number.
 - The reason for the return (e.g., interest, part interest part other, etc.).
 - An explanation stating that the refund is for interest payable to the Department of Health and Human Services, and the grant number(s) for which the interest was earned.

- An explanation stating that the refund is for interest
 - The name of the awarding agency

 - The return should be made payable to: Department of Health and Human Services.

Grantees, including grantees that act as pass-through entities and subgrantees have other responsibilities regarding the use of Federal funds. For example, all grantees and subgrantees must have procedures for determining the allowability of costs for their awards. We highlight the following practices related to the oversight of subgrantee compliance with the financial management requirements in the Uniform Guidance that will assist State grantees (pass-through entities) in meeting their monitoring responsibilities. Under 2 CFR § 200.332, pass-through entities must –

1. Evaluate each subrecipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward for purposes of determining the appropriate subrecipient monitoring.
2. Monitor the performance and fiscal activities of the subrecipient to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved.

A small number of Department grant programs have program-specific cash management and payment requirements based on the authorizing legislation or program regulations. These program-specific requirements may supplement or override general cash management or payment requirements. If you have any questions about your specific grant, please contact the Education Program Contact listed in Block 3 of your Grant Award Notification.

**RECIPIENTS OF DEPARTMENT OF EDUCATION GRANTS AND COOPERATIVE AGREEMENTS
FREQUENTLY ASKED QUESTIONS ON CASH MANAGEMENT**

Q What are the Federal Laws and Regulations Regarding Payments to the States?

A The *Cash Management Improvement Act of 1990 (CMIA)* establishes interest liabilities for the Federal and State governments when the Federal Government makes payments to the States. See 31 U.S.C. 3335 and 6503. The implementing regulations are in Title 31 of the Code of Federal Regulations (CFR), Part 205, https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title31/31cfr205_main_02.tpl. Non-Federal entities other than States follow the rules on Federal payments set out in 2 CFR 200.305.

Q What is a Treasury-State Agreement (TSA)?

A A TSA documents the accepted funding techniques and methods for calculating interest agreed upon by the U.S. Department of the Treasury (Treasury) and a State. It identifies the Federal assistance programs that are subject to interest liabilities under the CMIA. The CMIA regulations specify a number of different funding techniques that may be used by a State but a State can negotiate with the Treasury Department to establish a different funding technique for a particular program. A TSA is effective until terminated and, if a state does not have a TSA, payments to the State are subject to the default techniques in the regulations that Treasury determines are appropriate.

Q What are the CMIA requirements for a program subject to a Treasury-State Agreement?

A Payments to a State under a program of the Department are subject to the interest liability requirements of the CMIA if the program is included in the State's Treasury-State Agreement (TSA) with the Department of Treasury. If the Federal government is late in making a payment to a State, it owes interest to the State from the time the State spent its funds to pay for expenditure until the time the Federal government deposits funds to the State's account to pay for the expenditure. Conversely, if a State is late in making a payment under a program of the Department, the State owes interest to the Federal government from the time the Federal government deposited the funds to the State's account until the State uses those funds to make a payment. For more information, GAN Enclosure 4.

Q What are the CMIA requirements for a program that is not subject to a Treasury-State Agreement?

A If a program is not included in the State's TSA, neither the State nor the Federal government are liable for interest for making late payments. However, both the Federal government and the State must minimize the time elapsing between the date the State requests funds and the date that the funds are deposited to the State's accounts. The State is also required to minimize the time elapsed between the date it receives funds from the Federal government and the date it makes a payment under the program. Also, the Department must minimize the amount of funds transferred to a State to only that needed to meet the immediate cash needs of the State. The timing and amount of funds transferred must be as close as is administratively feasible to a State's actual cash outlay for direct program costs and the proportionate share of any allowable indirect costs.

Q What if there is no TSA?

GAN ATTACHMENT 5

Revised 03/2021

- A** When a State does not have a TSA in effect, default procedures in 31 CFR, part 205 that the Treasury Department determines appropriate apply. The default procedures will prescribe efficient funds transfer procedures consistent with State and Federal law and identify the covered Federal assistance programs and designated funding techniques.

Q Who is responsible for Cash Management?

- A** Grantees and subgrantees that receive grant funds under programs of the Department are responsible for maintaining internal controls regarding the management of Federal program funds under the Uniform Guidance in 2 CFR 200.302 and 200.303. In addition, grantees are responsible for ensuring that subgrantees are aware of the cash management and requirements in 2 CFR part 200, subpart D.

Q Who is responsible for monitoring cash drawdowns to ensure compliance with cash management policies?

- A** Recipients must monitor their own cash drawdowns **and** those of their subrecipients to assure substantial compliance to the standards of timing and amount of advances.

Q How soon may I draw down funds from the G5 grants management system?

- A** Grantees are required to minimize the amount of time between the drawdown and the expenditure of funds from their bank accounts. (See 2 CFR 200.305(b).) Funds must be drawn only to meet a grantee's immediate cash needs for each individual grant. The G5 screen displays the following message:

By submitting this payment request, I certify to the best of my knowledge and belief that the request is based on true, complete, and accurate information. I further certify that the expenditures and disbursements made with these funds are for the purposes and objectives set forth in the applicable Federal award or program participation agreement, and that the organization on behalf of which this submission is being made is and will remain in compliance with the terms and conditions of that award or program participation agreement. I am aware that the provision of any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me, and the organization on behalf of which this submission is being made, to criminal, civil, or administrative penalties for fraud, false statements, false claims, or other violations. (U.S. Code Title 18, Section 1001; Title 20, Section 1097; and Title 31, Sections 3729-3730 and 3801-3812)

Q How may I use Federal funds?

- A** Federal funds must be used as specified in the Grant Award Notification (GAN) and the approved application or State plan for allowable direct costs of the grant and an allocable portion of indirect costs, if authorized.

Q What are the consequences to recipients/subrecipients for not complying with terms of the grant award?

- A** If a recipient or subrecipient materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, including those in 2 CFR part 200, an assurance, the GAN, or elsewhere, the awarding agency may in accordance with 2 CFR 200.339 take one or more of the following actions:

GAN ATTACHMENT 5

Revised 03/2021

1. Temporarily withhold cash payments pending correction of the deficiency by the non-Federal entity or more severe enforcement action by the Federal awarding agency or pass-through entity.
2. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity not in compliance.
3. Wholly or partly suspend or terminate the Federal award.
4. Initiate suspension or debarment proceedings as authorized under 2 CFR part 180 and Federal award agency regulations (or in the case of a pass-through be initiated by a Federal awarding agency).
5. Withhold further Federal awards for the project or program.
6. Take other remedies that may be legally available.

Q Who is responsible for determining the amount of interest owed to the Federal government?

A As set forth in 31 CFR 205.9, the method used to calculate and document interest liabilities is included in the State's TSA. A non-State entity must maintain advances of Federal funds in interest-bearing accounts unless certain limited circumstance apply and remit interest earned on those funds to the Department of Health and Human Services, Payment Management System annually. See 2 CFR 200.305.

Q What information should accompany my interest payment?

A In accordance with 2 CFR 200.305(b)(9), interest in excess of \$500.00 earned on Federal advance payments deposited in interest-bearing accounts must be remitted annually to the Department of Health and Human Services Payment Management System (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment.

For returning interest on Federal awards paid through PMS, the refund should:

- (a) Provide an explanation stating that the refund is for interest;
- (b) List the PMS Payee Account Number(s) (PANs);
- (c) List the Federal award number(s) for which the interest was earned; and
- (d) Make returns payable to: Department of Health and Human Services.

For returning interest on Federal awards not paid through PMS, the refund should:

- (a) Provide an explanation stating that the refund is for interest;
- (b) Include the name of the awarding agency;
- (c) List the Federal award number(s) for which the interest was earned; and
- (d) Make returns payable to: Department of Health and Human Services.

For additional information about returning interest see GAN ATTACHMENT 4.

Q Are grant recipients/subrecipients automatically permitted to draw funds in advance of the time they need to disburse funds in order to liquidate obligations?

A The payment requirements in 2 CFR 200.305(b) authorize a grantee or subgrantee to request funds in advance of expenditures if certain conditions are met. However, if those conditions are not met, the Department and a pass-through agency may place a payee on reimbursement.

GAN ATTACHMENT 5

Revised 03/2021

- Q For formula grant programs such as ESEA Title I, for which States distribute funds to LEAs, may States choose to pay LEAs on a reimbursement basis?**
- A** A subgrantee must be paid in advance if it meets the standards for advance payments in 2 CFR 200.305(b)(1) but if the subgrantee cannot meet those standards, the State may put the subgrantee on reimbursement payment. See 2 CFR 200.305(b).
- Q Will the Department issue special procedures in advance if G5 plans to shut down for 3 days or more?**
- A** Yes, before any shutdown of G5 lasting three days or more, the Department issues special guidance for drawing down funds during the shut down. The guidance will include cash management improvement act procedures for States and certain State institutions of higher education and procedures for grants (including Pell grants) that are not subject to CMIA.

RE: Grant Award Termination

Dear Marisa Olivo :

This letter provides notice that the United States Department of Education is terminating your federal award, S336S230054. *See* 2 C.F.R. § 200.340-43; *see also* 34 C.F.R. § 75.253.

It is a priority of the Department of Education to eliminate discrimination in all forms of education throughout the United States. The Acting Secretary of Education has determined that, per the Department's obligations to the constitutional and statutory law of the United States, this priority includes ensuring that the Department's grants do not support programs or organizations that promote or take part in diversity, equity, and inclusion ("DEI") initiatives or any other initiatives that unlawfully discriminate on the basis of race, color, religion, sex, national origin, or another protected characteristic. Illegal DEI policies and practices can violate both the letter and purpose of Federal civil rights law and conflict with the Department's policy of prioritizing merit, fairness, and excellence in education. In addition to complying with the civil rights laws, it is vital that the Department assess whether all grant payments are free from fraud, abuse, and duplication, as well as to assess whether current grants are in the best interests of the United States.

The grant specified above provides funding for programs that promote or take part in DEI initiatives or other initiatives that unlawfully discriminate on the basis of race, color, religion, sex, national origin, or another protected characteristic; that violate either the letter or purpose of Federal civil rights law; that conflict with the Department's policy of prioritizing merit, fairness, and excellence in education; that are not free from fraud, abuse, or duplication; or that otherwise fail to serve the best interests of the United States. The grant is therefore inconsistent with, and no longer effectuates, Department priorities. *See* 2 C.F.R. § 200.340(a)(4); *see also* 34 C.F.R. § 75.253. Therefore, pursuant to, among other authorities, 2 C.F.R. § 200.339-43, 34 C.F.R. § 75.253, and the termination provisions in your grant award, the Department hereby terminates grant No. S336S230054 in its entirety effective 2/12/25.

400 MARYLAND AVE., S.W., WASHINGTON, DC 20202
www.ed.gov

If you wish to object to or challenge this termination decision, you must submit information and documentation supporting your position in writing within 30 calendar days of the date of this termination notice. Objections and challenges must be sent by email and first-class mail and addressed to the component head that oversees the grantmaking unit, which will typically be the Assistant Secretary of that unit. In this case, please address your objection or challenge to Ruth Ryder, Acting Assistant Secretary; Office of Elementary and Secondary Education; 400 Maryland Ave., SW; Washington, D.C. 20202; ruth.ryder@ed.gov.

Your appeal should contain the following:

1. a copy of the written notice of termination;
2. the date you received written notice of termination;
3. a brief statement of your argument and the disputed factual, legal, or other issues;
4. the amount of funds or costs in dispute, if any; and
5. any other relevant documents.

See id. § 200.342.

Costs incurred by you after this termination are allowable only if (a) those costs were properly incurred by you before the effective date of this termination, and not in anticipation of it; and (b) those costs would be allowable if your federal award was not suspended or expired normally at the end of the period of performance in which the termination takes effect. *See* 2 C.F.R. § 200.343. You are encouraged to carefully review and discharge your closeout responsibilities set forth in 2 C.F.R. § 200.344-45 and your award agreement. Those responsibilities include, but are not limited to, your obligation to “promptly refund any unobligated funds” that have been paid out but “are not authorized to be retained.” *See* 2 C.F.R. § 200.344(g). Failure to do so will result in the Department filing a report documenting your “material failure to comply with the terms and conditions of” this award on SAM.gov and taking any other appropriate enforcement actions. *See id.* § 200.344(i).

Finally, you are reminded of your duties under your agreement and Department of Education guidance regarding retention of grant records for at least three years.

Respectfully,

You will also receive an updated GAN notice, confirming this decision and change. You will also receive notification from the Department's G5 grants administration system.

Please feel free to contact me with any related questions or concerns about this information. Please also note the basis for challenge or appeal of this decision, as noted in the language of the attached letter.

This doesn't look something to attend, I don't think? Maybe it's Diana giving us permission to draw from the account, possibly?

Here are the G5/G6 account information. Please note it says award status says liquidation. Last day to draw funds is 6/13/2025. and Performance Period- 10/01/2023 to 2/12/2025. Which means I have until 6/13 to draw down anything that happened between 10/01/2023 to 2/12/2025. We probably need confirmation that Diana approved the Year 2 budget. So we can put in reqs for as many things that happened from 10/01/2024 till 2/12/2025.

Nora & Marisa,

I am by now you have received an email regarding a GAN and a letter to tell you, your TQP project has been terminated. I have enjoyed us working together to get the project started, we had hoops we had to jump and we got it all sorted out at the last minute but now I will get to see the fruits of your labor. I, however, do hope our path will cross again in the near future.

Take care you both and hug you little boy Marisa 😊
